# Safety Instruction Guide for BRASS PILOTS .30 MUZZLE BRASS PILOT

## Introduction

Thank you for choosing the BRASS PILOTS .30 MUZZLE BRASS PILOT. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before using the product to avoid any potential hazards.

## General Safety Guidelines

- Ensure that this product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Always wear appropriate personal protective equipment (PPE) when using this product.
- Do not use the product if it appears damaged or malfunctioning.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the pilot is properly secured before use.
- Use the pilot only with compatible chamfering and facing cutters.
- Do not exceed the recommended specifications for the product.
- Avoid using the product in wet or damp conditions.
- Be cautious of sharp edges and points when handling the product.
- Store the product in a dry, safe place when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the work area is clean and free of obstructions.
- Select the appropriate pilot size for your application.
- Insert the pilot into the designated tool holder securely.
- Check that the pilot is properly aligned and centered.

### 2. Usage:

- Before starting, doublecheck that all safety equipment is in place.
- Begin the operation at a low speed to ensure stability.
- Gradually increase speed as needed, monitoring the performance closely.
- Do not force the tool; allow it to operate at its designed capacity.
- After completing the operation, turn off the tool and remove the pilot carefully.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Recycle materials where possible to reduce environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRASS PILOTS .30 MUZZLE BRASS PILOT, please consult your retailer or refer to your purchase documentation for guidance.

By following these safety instructions, you can ensure a safe and effective experience with your BRASS PILOTS .30 MUZZLE BRASS PILOT. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
