Safety Instruction Guide for BRASS PILOTS

BROWNELLS .311 MUZZLE BRASS PILOT

Introduction

Thank you for choosing the BRASS PILOTS BROWNELLS .311 MUZZLE BRASS PILOT. This product is designed to assist in the precise machining of firearm components. To ensure your safety and the longevity of this product, please read and follow the safety guidelines and instructions outlined in this manual.

General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Inspect the product before each use for any signs of wear or damage.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The brass pilot may have sharp edges that can cause cuts.
- Improper use may lead to injury or damage to the firearm.

- **Avoiding Hazards:**

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Ensure your work area is clear of obstructions and distractions.
- Do not use the pilot with excessive force; let the tool do the work.
- Never attempt to modify or alter the pilot.

- **Audience Specific Warnings:**

- This product is intended for use by adults only. It should not be used by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and safe to work on.
2. Select the appropriate .311 muzzle brass pilot for your specific firearm model.
3. Securely attach the pilot to your chamfering tool according to the tool's instructions.

- **Usage:**

1. Position the pilot in the bore of the firearm.
2. Start the chamfering tool at a low speed to ensure proper alignment.
3. Gradually increase the speed as needed, maintaining control.
4. After use, clean the pilot to remove any debris or residue.

- **Post Use:**

- Store the pilot in its designated case or holder to prevent damage.
- Regularly check the pilot for wear and replace as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the BRASS PILOTS BROWNELLS .311 MUZZLE BRASS PILOT, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Your careful use of this product helps ensure your safety and the safety of others.
