# Safety Instruction Guide for BRASS PILOTS BROWNELLS .3220 MUZZLE BRASS PILOT

## Introduction

Thank you for choosing the BRASS PILOTS BROWNELLS .3220 MUZZLE BRASS PILOT. This guide is designed to provide you with essential safety information and usage instructions to ensure a safe and effective experience with your product. Please read this guide carefully before using the pilot.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the pilot.
- Ensure that the work area is clean and free from hazards.
- Do not use the pilot if it is damaged or worn.
- Avoid direct contact with moving parts during operation.
- Do not exceed the recommended specifications for the pilot.

## Instructions for Installation and Usage

### 1. Preparing for Use:

- Gather all necessary tools and safety equipment.
- Ensure that the work area is welllit and organized.

### 2. Installation:

- Insert the brass pilot into the appropriate chamfering tool.
- Ensure that the pilot is securely fastened and properly aligned.

### 3. Using the Brass Pilot:

- Position the workpiece securely to prevent movement during use.
- Engage the chamfering tool at a slow speed to ensure precision.
- Apply steady pressure while operating the tool, allowing the pilot to guide the cutters.
- Monitor the operation for any unusual sounds or vibrations.

### 4. PostUse Care:

- Turn off the chamfering tool and unplug it before removing the pilot.
- Clean the pilot and tool to remove any debris or residue.
- Store the pilot in a safe, dry location away from direct sunlight.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the contact information provided on the packaging or your purchase receipt.
