Safety Instruction Guide for BRASS PILOTS .35 MUZZLE BRASS PILOT

Introduction

Thank you for choosing the BRASS PILOTS .35 MUZZLE BRASS PILOT. This product is designed to help you achieve precise chamfering and facing of your firearm components. To ensure your safety and the proper use of this product, please read and follow the instructions outlined in this guide.

General Safety Guidelines

- Always ensure that you are using the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while handling and using the tool.
- Ensure that the work area is clean, welllit, and free from distractions.
- Do not use the product if you are under the influence of alcohol, drugs, or any substances that may impair your judgment.
- Avoid direct contact with the cutting edges of the tool to prevent cuts and injuries.
- Always secure your workpiece to prevent movement during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure the tool is compatible with your firearm model.
- Insert the brass pilot into the appropriate tool holder or machine as per the manufacturer's specifications.
- Tighten the tool holder securely to prevent slippage during use.

2. Usage:

- Before starting, verify that all safety precautions are in place.
- Align the pilot with the bore of the workpiece to ensure proper centering.
- Apply gentle pressure when using the tool to avoid excessive wear or damage.
- Perform chamfering or facing operations slowly and steadily for best results.
- After use, clean the tool to remove any debris and ensure longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options for brass and steel components.

Contact Information for Further Support

For any questions or concerns regarding the BRASS PILOTS .35 MUZZLE BRASS PILOT, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the BRASS PILOTS .35 MUZZLE BRASS PILOT. Your adherence to these guidelines will help ensure a safe and effective experience.
