# BRASS PILOTS BROWNELLS .38/.357 CYLINDER BRASS PILOT Safety Instructions

## Introduction

Thank you for choosing the BRASS PILOTS BROWNELLS .38/.357 CYLINDER BRASS PILOT. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before each use.
- Do not use the product if it shows signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the pilot is compatible with your firearm before use.
- Wear appropriate safety gear, including eye protection, when using the product.
- Avoid using the product in wet or damp conditions to prevent slipping or accidents.
- Do not force the pilot into the bore; it should fit snugly without excessive pressure.
- Use the pilot only for its intended purpose as outlined in this guide.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition before beginning any work.
- Gather all necessary tools and safety equipment.

### 2. Installation:

- Insert the BRASS PILOT into the bore of the cylinder, ensuring it is properly aligned.
- Ensure that the pilot fits securely and is not loose.

### 3. Usage:

- Use the pilot with chamfering and facing cutters as intended.
- Maintain a steady and controlled motion when operating the cutters.
- Regularly check the alignment of the pilot during use to ensure it remains centered.

### 4. PostUsage:

- Remove the pilot carefully from the bore after use.
- Clean the pilot and store it in a dry, safe place to prevent damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Ensure that the product is not discarded in a manner that could pose a safety risk to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or usage of the BRASS PILOTS BROWNELLS .38/.357 CYLINDER BRASS PILOT, please contact your local distributor or the manufacturer for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
