# Safety Instruction Guide for BRASS PILOTS .416 MUZZLE BRASS PILOT

## Introduction

Thank you for choosing the BRASS PILOTS .416 MUZZLE BRASS PILOT. This product is designed to assist in the chamfering and facing of firearm components. It is essential to follow safety guidelines to ensure safe and effective use. This guide provides important safety information, usage instructions, and contact details for further support.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the product if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Avoid direct contact with the cutting edges of the pilot to prevent injury.
- Use the pilot in a wellventilated area to avoid inhaling any particles generated during use.
- Ensure that the firearm is unloaded and safe before attaching or using the pilot.
- Do not exceed the recommended usage limits for the pilot to prevent overheating and potential failure.
- Store the pilot in a secure location when not in use to prevent accidental injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and safe.
- Select the appropriate pilot size for your firearm model.
- Attach the pilot securely to your chamfering tool according to the manufacturer's instructions.

### 2. Usage:

- Position the pilot inside the bore of the firearm.
- Apply gentle pressure while operating the tool to ensure even cuts.
- Do not force the tool; if resistance is felt, stop and inspect the pilot and tool for issues.
- After use, clean the pilot to remove any debris or residue.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Contact local recycling centers for proper disposal methods for metal tools.

## Contact Information for Further Support

For any inquiries regarding the BRASS PILOTS .416 MUZZLE BRASS PILOT, please reach out to your local distributor or manufacturer. Ensure you have the product details available for a more efficient response.

By following these guidelines, you can help ensure a safe and effective experience with your BRASS PILOTS .416 MUZZLE BRASS PILOT. Always prioritize safety and compliance with local laws when using this product.
