# Safety Instruction Guide for BRASS PILOTS

## .458/.4570 MUZZLE BRASS PILOT

### Introduction

Thank you for choosing the BRASS PILOTS .458/.4570 MUZZLE BRASS PILOT. This product is designed to provide precision and durability for your chamfering needs. To ensure your safety and the proper functioning of this tool, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Always use the product as intended and in accordance with these instructions.
- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety goggles and gloves, when using this product.
- Work Area:** Ensure that your work area is clean, welllit, and free from distractions.
- Handling:** Handle the brass pilot with care to avoid injury. Keep fingers away from sharp edges.
- Tool Compatibility:** Verify that the brass pilot is compatible with your tools and intended applications.
- Temperature:** Avoid using the product in extreme temperatures that may affect its performance or safety.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure that your workspace is organized and free from hazards.

#### 2. Installation:

- Insert the brass pilot into the appropriate tool (e.g., chamfering tool).
- Securely tighten any fasteners to ensure the pilot is firmly in place.

#### 3. Usage:

- Align the brass pilot with the bore of the material you are working on.
- Apply steady pressure while operating the tool to achieve the desired chamfering effect.
- Do not force the tool; let it do the work to avoid damage.

#### 4. PostUse:

- After use, clean the brass pilot to remove any debris or residue.
- Store the product in a dry and safe location, away from children.

### Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.

- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling it at a designated facility.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or consult the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the BRASS PILOTS .458/.4570 MUZZLE BRASS PILOT. Thank you for your attention to safety.
