Safety Instruction Guide for BRASS PILOTS .32 MUZZLE BRASS PILOT

Introduction

Thank you for choosing the BRASS PILOTS .32 MUZZLE BRASS PILOT. This product is designed to assist in the precise facing and chamfering of bores. To ensure your safety and the longevity of the product, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the intended purpose as described in the product specifications.
- Always inspect the product for any signs of damage or wear before each use. Do not use if damaged.
- Keep this product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of tools and accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Ensure that the work area is clean, welllit, and free of clutter to prevent accidents.
- Do not exceed the recommended caliber specifications when using the pilot.
- Always secure the workpiece properly before using the pilot to prevent movement.
- Avoid wearing loose clothing or jewelry that may become caught in the equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure the tool is disconnected from any power source before installation.
- Insert the brass pilot into the designated holder or tool, ensuring it is securely fitted.
- Check for proper alignment before proceeding.

2. Usage:

- Position the workpiece securely on a stable surface.
- Align the pilot with the bore of the workpiece.
- Apply gentle pressure while operating the tool to ensure precision.
- Avoid forcing the tool; if resistance is encountered, stop and inspect for potential issues.

3. PostUsage:

- After use, clean the brass pilot with a dry cloth to remove any debris.
- Store the pilot in a safe, dry place away from moisture and extreme temperatures.
- Regularly check the pilot for wear and replace if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or support related to the BRASS PILOTS .32 MUZZLE BRASS PILOT, please refer to the contact information provided with the product packaging or on the manufacturer's website.

Thank you for your attention to these safety guidelines. Your careful use of this product will help ensure a safe and effective experience.
