BRASS PILOTS .38/.357 MUZZLE BRASS PILOT

Safety Instructions

Introduction

Thank you for choosing the BRASS PILOTS .38/.357 MUZZLE BRASS PILOT. This product is designed to enhance your chamfering and facing operations while ensuring safety and durability. Please read this safety instruction guide carefully to ensure proper and safe use of the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free from obstructions to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the pilot is securely fitted before use to prevent detachment during operation.
- Avoid using excessive force when operating the product to prevent accidents and damage.
- Always keep hands and other body parts away from moving parts during use.
- Use the product only for its intended purpose as described in the specifications.
- In case of malfunction or unusual noise, stop using the product immediately and inspect it.
- Do not modify the product in any way, as this may compromise safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the work area is clean and welllit.
- Select the appropriate pilot size for your specific application.
- Securely attach the brass pilot to the chamfering tool according to the manufacturer's instructions.
- Doublecheck that the pilot is properly seated and locked in place.

2. Usage:

- Position the workpiece securely in a stable manner.
- Align the pilot with the bore of the workpiece.
- Start the chamfering tool at a low speed to ensure proper engagement.
- Gradually increase the speed as needed, maintaining control of the tool.
- Monitor the operation closely and adjust as necessary for optimal performance.
- After use, turn off and unplug the tool before making any adjustments or removing the pilot.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the BRASS PILOTS .38/.357 MUZZLE BRASS PILOT, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

Thank you for your attention to these safety instructions. Your safety is our priority.
