# Safety Instruction Guide for BRASS PILOTS

## .40/10MM MUZZLE BRASS PILOT

### Introduction

Thank you for choosing the BRASS PILOTS .40/10MM MUZZLE BRASS PILOT. This product is designed to enhance your chamfering and facing processes. To ensure your safety and the longevity of the product, please read this safety instruction guide carefully before use.

### General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Do not use the product if it appears damaged or malfunctioning.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

### Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the product.
- Ensure that the work area is clean and free of clutter to prevent accidents.
- Use the product only with compatible tools and equipment.
- Avoid applying excessive force during use, as this may cause damage or injury.
- Follow all instructions related to the specific caliber and application for optimal safety and performance.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that the work area is welllit and organized.
- Gather all necessary tools and equipment before starting.

#### 2. Installation:

- Insert the BRASS PILOT into the appropriate tool or machine.
- Ensure that the pilot is securely fastened and properly aligned.
- Check for compatibility with your specific caliber (40/10 mm).

#### 3. Usage:

- Start the tool or machine according to the manufacturer's instructions.
- Gradually introduce the material to the pilot, maintaining a steady pace.
- Monitor the operation closely for any irregularities or signs of wear.
- After use, turn off the tool or machine and disconnect the power source before removing the pilot.

#### 4. Maintenance:

- Clean the pilot after each use to remove debris and prevent corrosion.
- Store the pilot in a dry, safe place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or support regarding the BRASS PILOTS .40/10MM MUZZLE BRASS PILOT, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety is our priority.
