# Safety Instruction Guide for BRASS PILOTS .41 MUZZLE BRASS PILOT

## Introduction

Thank you for choosing the BRASS PILOTS .41 MUZZLE BRASS PILOT. This product is designed to help you achieve precision in facing and chamfering operations. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product before use for any signs of damage or wear.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using this product.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Do not exceed the recommended pressure or force during use to avoid damaging the product or causing injury.
- Avoid using the product near flammable materials or in environments with high heat.
- Do not modify or alter the product in any way.
- If you experience any issues during use, stop immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials required for the installation.
- Ensure that you are working in a wellventilated area.

### 2. Installation:

- Insert the BRASS PILOTS into the appropriate tool or machine according to the manufacturer's specifications.
- Ensure that the pilot is securely fastened and properly aligned before use.

### 3. Usage:

- Use the BRASS PILOTS in accordance with the intended application, specifically for facing and chamfering.
- Maintain a steady hand and controlled pressure while operating the tool.
- After use, clean the product thoroughly to remove any debris or residue.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and hazardous waste.
- Do not dispose of the product in regular household waste.

- If the product is damaged or no longer usable, take it to a designated recycling facility.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
