# Safety Instruction Guide for BRASS PILOTS .50 S&W MUZZLE BRASS PILOT

## Introduction

Thank you for purchasing the BRASS PILOTS .50 S&W MUZZLE BRASS PILOT. This product is designed to assist in the chamfering and facing of firearm components. To ensure your safety and the proper use of this product, please read and follow the instructions and guidelines outlined in this document.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free of obstructions.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Handle the brass pilot with care to avoid injury.
- Do not exceed the recommended caliber specifications while using the product.
- Ensure that the pilot is securely attached to the tool before use.
- Avoid using the product if you are under the influence of drugs or alcohol.
- Do not use the product for purposes other than its intended use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure that the workspace is welllit and organized.

### 2. Installation:

- Select the correct brass pilot for your specific firearm model.
- Attach the brass pilot to the chamfering tool securely, ensuring a snug fit.

### 3. Usage:

- Position the pilot carefully into the bore of the firearm.
- Apply gentle pressure while operating the tool to avoid damaging the bore.
- Maintain a steady hand and control the tool throughout the process.
- After use, clean the brass pilot and tool to remove debris and residue.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste if it contains hazardous materials.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details at hand for a more efficient response.

By following these guidelines, you can ensure a safe and effective experience with the BRASS PILOTS .50 S&W MUZZLE BRASS PILOT. Thank you for your attention to safety, and enjoy your product!
