

# HANDI CLAMP - BROWNELLS HANDI CLAMP, STEEL

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Alteration Tools](#)

## Far Tighter Grip Than Your Fingers For Holding Small Parts

Holds little things for fitting, polishing, grinding or finishing. Better than a third hand when staking Remington 870 shell latches. Soft, rubber pads won't mark finishes. Easy, one-hand operation.

# HANDI CLAMP BROWNELLS Safety Instruction Guide

## Introduction

Thank you for choosing the HANDI CLAMP BROWNELLS. This product is designed to assist you in holding small items securely during fitting, polishing, grinding, or finishing tasks. It is especially useful for staking Remington 870 shell latches. Please read this safety instruction guide carefully to ensure safe and effective use of the HANDI CLAMP.

## General Safety Guidelines

- Always use the HANDI CLAMP as intended.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the HANDI CLAMP before each use for any signs of damage or wear.
- Do not use the HANDI CLAMP if it is damaged or malfunctioning.
- Ensure that the working area is clean and free of hazards.
- Wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when using the HANDI CLAMP.
- Do not exceed the maximum opening capacity of the clamp (3/16" or 4.8mm).
- Store the HANDI CLAMP in a dry place when not in use to prevent rust and deterioration.

## Specific Safety Precautions for Use

- Ensure that the rubber pads are clean and free from debris before use to maintain a secure grip.
- Avoid applying excessive force that could damage the clamp or cause it to slip.
- Do not use the HANDI CLAMP with materials that could damage the rubber pads or the clamp itself.
- Be cautious of pinch points when operating the clamp, especially when adjusting it with one hand.
- Do not leave the HANDI CLAMP unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your work surface is stable and clean.
- Gather any materials you will be working with.

### 2. Setting Up the HANDI CLAMP

- Open the HANDI CLAMP by pulling the handle back to create the desired opening.
- Position the item you wish to hold between the rubber pads.
- Slowly release the handle to allow the rubber pads to grip the item securely.

### 3. Using the HANDI CLAMP

- Once the item is secured, ensure it is held firmly in place before proceeding with your task.
- For tasks requiring one hand, the HANDI CLAMP can be operated easily with the other hand free.

### 4. Finishing Up

- After completing your task, carefully release the clamp by pulling the handle back.
- Remove the item and inspect the HANDI CLAMP for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the HANDI CLAMP in accordance with local regulations regarding metal and rubber products.
- If the HANDI CLAMP is no longer functional, consider recycling the metal components where possible.
- Do not dispose of the HANDI CLAMP in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the HANDI CLAMP BROWNELLS, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of the HANDI CLAMP BROWNELLS.  
Thank you for your attention to safety!
