

## **BRASS ONE CALIBER SET FOR .45 BP MUZZLE**

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

### **Square Up & Chamfer Rifle and Handgun Muzzles P Brass Bore Pilot**

Set includes: one, 90° facing cutter to square a muzzle after shortening, or repair damage; one, 45° chamfering cutter to break the edges of the rifling for a clean bullet exit or chamfer a revolver cylinder mouth for quick reloads; plus one handle that fits either cutter and one brass bore pilot. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# BRASS ONE CALIBER SET SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the BRASS ONE CALIBER SET for .45 BP muzzle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual thoroughly before use to understand the potential risks and how to avoid them.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with the EU General Product Safety Regulation (GPSR). Ensure you follow all instructions to minimize risks associated with its use.
- **Enhanced Recalls:** Stay informed about potential recalls or safety notices. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping Safety:** If purchased online, ensure that the retailer complies with safety standards equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides timely updates on unsafe products.

## Specific Safety Precautions for Use

- **Use Personal Protective Equipment (PPE):** Always wear safety goggles and gloves when using the BRASS ONE CALIBER SET to protect against metal shavings and debris.
- **Work in a WellVentilated Area:** Ensure adequate ventilation to avoid inhaling any fumes or dust generated during use.
- **Inspect Tools Before Use:** Check the cutters and handle for any signs of damage before use. Do not use if any part is damaged.
- **Keep Workspace Organized:** Maintain a clean and organized workspace to prevent accidents.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the cutters.
- **Store Properly:** After use, store the product in its original packaging or a safe place to prevent damage and ensure safety.

## Instructions for Installation and Usage

1. **Select the Appropriate Cutter:** Choose the cutter based on the task. Use the 90° facing cutter for squaring a muzzle and the 45° chamfering cutter for breaking edges.
2. **Attach the Cutter:**
  - Insert the cutter into the handle securely.
  - Ensure it is tightly fastened to prevent it from loosening during use.
3. **Align the Pilot:**
  - Insert the brass bore pilot into the bore of the firearm.
  - Ensure that the pilot aligns with the cutter for accurate machining.
4. **Perform the Cutting:**
  - Apply consistent pressure while cutting to ensure a clean finish.
  - Do not force the cutter; let it do the work.
5. **Check the Work:** After cutting, inspect the muzzle or cylinder for smoothness and proper alignment.
6. **Clean the Tools:** After use, clean the cutters and handle to remove any residue or debris.

## Disposal Instructions

- **Dispose of Safely:** When disposing of the BRASS ONE CALIBER SET or any associated materials, follow local regulations regarding metal waste.
- **Recycling:** If applicable, consider recycling metal components to reduce environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the BRASS ONE CALIBER SET, please refer to the contact information provided by your retailer or the manufacturer. It is essential to seek assistance if you encounter any issues or require further guidance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with the BRASS ONE CALIBER SET.
