

# BRASS ONE CALIBER SET FOR .480 RUGER MUZZLE

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

## **Square Up & Chamfer Rifle and Handgun Muzzles P Brass Bore Pilot**

Set includes: one, 90° facing cutter to square a muzzle after shortening, or repair damage; one, 45° chamfering cutter to break the edges of the rifling for a clean bullet exit or chamfer a revolver cylinder mouth for quick reloads; plus one handle that fits either cutter and one brass bore pilot. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for BRASS ONE CALIBER SET

## Introduction

Thank you for choosing the BRASS ONE CALIBER SET for .480 RUGER MUZZLE. This product is designed for precision and safety in muzzle maintenance and modifications. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- Follow all local regulations and safety standards when using this product.

## Specific Safety Precautions for Use

- Use the facing cutter only on muzzles made of compatible materials to prevent damage.
- Ensure that the cutter is properly secured in the handle before use.
- Do not apply excessive force when using the cutters; let the tool do the work.
- Always cut away from your body to avoid injury.
- If the cutter becomes dull or damaged, replace it immediately to avoid accidents.
- Be cautious of sharp edges on the cutters and handle to prevent cuts or injuries.
- Store the product in a safe place, preferably in its original packaging, when not in use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials before starting.
- Ensure that the work area is clean and welllit.
- Wear safety glasses and gloves.

### 2. Using the Facing Cutter

- Attach the facing cutter to the handle securely.
- Position the muzzle to be cut firmly on a stable surface.
- Align the cutter with the muzzle and apply gentle pressure.
- Rotate the cutter around the muzzle to achieve a square cut.
- Check for uniformity and repeat if necessary.

### 3. Using the Chamfer Cutter

- Attach the chamfer cutter to the handle securely.
- Position the muzzle or revolver cylinder mouth for chamfering.
- Gently apply pressure and rotate the cutter to break the edges.
- Ensure a clean exit for the bullet by checking the chamfered area.

### 4. Changing the Pilot

- To change the pilot, unscrew the cutter from the handle.
- Replace with a different caliber pilot as needed.
- Ensure that the pilot is properly aligned and secure before use.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions regarding the use or safety of the BRASS ONE CALIBER SET, please refer to the manufacturer's contact information provided with the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your BRASS ONE CALIBER SET. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for your attention to these important safety measures.
