# Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot. This tool is designed for safely squaring a muzzle after shortening or repairing dings and damage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the cutter in a welllit and clean workspace.
- Keep the tool out of reach of children and pets.
- Inspect the cutter and pilot for any damage before each use.
- Use personal protective equipment (PPE) such as safety goggles and gloves to protect against debris and sharp edges.
- Do not use the cutter for any purpose other than its intended use.
- Follow all local laws and regulations regarding the use of this tool.

## Specific Safety Precautions for Use

- Ensure the cutter is securely attached to the handle before use.
- Use the cutter only on materials for which it is designed.
- Avoid applying excessive force when using the cutter to prevent damage or injury.
- Always cut away from your body to minimize the risk of injury.
- If the cutter becomes dull, replace it with a new one to maintain safety and effectiveness.
- Store the cutter and pilots in the provided polypropylene box when not in use to prevent accidental injury.

## Instructions for Installation and Usage

### 1. Preparing the Cutter:

- Remove the cutter and pilot from the polypropylene box.
- Ensure that the pilot is compatible with the caliber being used.

### 2. Attaching the Pilot:

- Insert the pilot into the cutter until it is securely in place.
- Ensure that the pilot is properly aligned to maintain cutting accuracy.

### 3. Using the Cutter:

- Hold the handle firmly with one hand and the workpiece with the other.
- Position the cutter at a 90° angle to the muzzle.
- Apply gentle pressure and rotate the cutter to square the muzzle.
- Check for evenness and adjust as necessary.

### 4. Finishing Up:

- After use, clean the cutter and pilot to remove any debris.
- Store the cutter and pilot in the polypropylene box to protect them from damage.

## **Disposal Instructions**

- Dispose of any damaged or wornout cutters and pilots in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for recycling programs in your area that accept metal tools and components.

## **Contact Information for Further Support**

For any inquiries regarding safety or product use, please refer to the contact information provided with your purchase. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Thank you for your attention to safety!
