# 90° Muzzle Facing Cutter & Brass Pilot Safety Instructions

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot by Brownells. This product is designed for precision muzzle facing of .22 RF firearms. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product in accordance with its intended purpose.
- Ensure that the working area is clean, dry, and well lit.
- Keep the product out of reach of children and pets.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the cutter.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Be aware of your surroundings and ensure that no one is in close proximity when using the cutter.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Handle the cutter with care to avoid cuts or injuries.
- Always cut away from your body to prevent accidents.
- Do not force the cutter; let the tool do the work to avoid breakage or injury.
- Ensure the cutter is securely attached to the pilot before use.
- Use the cutter only on the specified caliber (.22 RF) to prevent damage to the tool or firearm.
- If you experience any discomfort or pain while using the tool, stop immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and organized.
- Gather all necessary tools and materials before starting.

### 2. Installation:

- Insert the brass pilot into the cutter.
- Ensure a snug fit; the pilot should not wobble or be loose.
- Tighten any screws or fasteners as needed to secure the pilot in place.

### 3. Usage:

- Position the cutter against the muzzle of the firearm, ensuring that it is aligned correctly.
- Apply even pressure and begin cutting, maintaining a steady hand.
- Monitor the progress and adjust your pressure as necessary to achieve a clean cut.
- After completing the cut, carefully remove the cutter from the muzzle.

### 4. PostUsage:

- Clean the cutter and pilot after use to remove any debris or residue.

- Store the cutter and pilot in a safe, dry location away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the cutter or pilot is damaged beyond repair, consider recycling the metal components where possible.
- Do not dispose of in regular household waste if it poses a potential hazard.

## **Contact Information for Further Support**

For safety inquiries or concerns, please refer to the product packaging or visit the manufacturer's website for additional support resources.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the 90° Muzzle Facing Cutter & Brass Pilot.
