Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Brass Pilot by Brownells. This product is designed to assist with muzzle facing for .22 RF calibers. To ensure your safety and the proper use of this tool, please read this safety instruction guide thoroughly before use.

General Safety Guidelines

- Always read and follow all safety instructions provided with the product.
- Ensure that the product is used only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the cutter.
- Be aware of your surroundings and ensure that no one is in proximity while using the tool.
- If you encounter any difficulties during use, stop immediately and consult the product manual or seek professional assistance.

Specific Safety Precautions for Use

- Handle the cutter with care to avoid cuts or injuries.
- Ensure that the cutter is securely attached before using it.
- Use the cutter on a stable surface to prevent accidents.
- Do not force the cutter; if it does not cut easily, check for obstructions or damage.
- Store the cutter in a safe location when not in use to prevent accidents.
- Do not modify the cutter or use it in any way not specified by the manufacturer.

Instructions for Installation and Usage

1. Installation

- Ensure that the work area is clean and free of debris.
- Select the appropriate brass pilot for your .22 RF muzzle (.213").
- Attach the brass pilot securely to the facing cutter.
- Check that all components are properly aligned and tightened.

2. Usage

- Position the muzzle of the firearm securely in a stable vice or on a flat surface.
- Align the facing cutter with the muzzle, ensuring it is perpendicular.
- Apply gentle pressure while turning the cutter to achieve a clean cut.
- Regularly check the progress and remove any debris that may accumulate.
- Once completed, carefully detach the cutter and pilot from the muzzle.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the cutter or pilot is damaged and no longer usable, dispose of it in accordance with local waste disposal regulations.
- Do not throw the product in regular trash if it contains hazardous materials; check for specific disposal instructions.

Contact Information for Further Support

For safety inquiries or further assistance regarding the 90° Muzzle Facing Cutter & Brass Pilot, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

By following these guidelines, you can ensure the safe and effective use of the 90° Muzzle Facing Cutter & Brass Pilot. Always prioritize safety and consult professionals if you have any questions or concerns regarding the product.
