Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot by BROWNELLS. This product is designed for precision in barrel chamfering and should be used with care to ensure safety and optimal performance. This guide provides important safety instructions and usage information to help you use this product effectively and safely.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product only for its intended purpose as specified in this manual.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the cutter.
- Ensure your work area is clean and welllit to prevent accidents.
- Do not use the cutter when under the influence of drugs or alcohol.
- Follow all relevant local regulations regarding the use of tools and equipment.

Specific Safety Precautions for Use

- **Cutting Hazards:** The cutter has sharp edges that can cause cuts. Always handle with care.
- **Eye Protection:** Always wear safety glasses to protect your eyes from debris when using the cutter.
- **Work Surface:** Use a stable and secure work surface to prevent slips and accidents.
- **Storage:** Store the cutter in its original packaging or a secure place when not in use to prevent accidental injury.
- **Pilot Use:** Ensure the brass pilot is securely attached before use to prevent it from becoming dislodged during operation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure you are in a wellventilated area.

2. Installation:

- Attach the brass pilot to the cutter securely. Ensure it is fastened according to the manufacturer's specifications.
- Check that the cutter is properly aligned and secured to your work surface.

3. Usage:

- Position the cutter at a 90° angle to the muzzle.
- Apply gentle, even pressure while cutting. Do not force the cutter.
- Regularly check the cutter and pilot for wear or damage during use.
- If you encounter excessive resistance, stop and inspect the cutter and workpiece.

4. PostUse:

- Clean the cutter and pilot after use to remove any debris.
- Store the cutter in a safe place away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste. Check with local authorities for proper disposal methods for metal tools.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

By following these guidelines, you can ensure safe and effective use of the 90° Muzzle Facing Cutter & Brass Pilot. Thank you for prioritizing safety!
