# Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

## Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Brass Pilot. This product is designed to assist in squaring a muzzle after shortening or repairing dings and damage. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the cutter.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always handle the cutter and pilot with care to avoid injuries.
- Keep the cutter and pilot out of reach of children and vulnerable individuals.
- Inspect the cutter and pilot before each use to ensure they are in good condition.
- Use the cutter only for its intended purpose as described in this guide.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the cutter.
- Ensure that the work area is clean, welllit, and free of obstructions.
- Do not use the cutter if you are tired or under the influence of substances that impair your judgment.
- Keep hands and other body parts away from the cutting area while the cutter is in use.
- Do not force the cutter; let it do the work to prevent damage to the tool or injury to yourself.
- Always use the cutter with the correct pilot for the caliber you are working with.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials, including the cutter, handle, and pilot.
- Ensure that the workpiece is securely clamped or held in place.

### 2. Installation of Pilot

- Select the appropriate pilot for the caliber you are working with.
- Insert the pilot into the cutter until it is securely in place.

### 3. Using the Cutter

- Firmly grasp the handle of the cutter.
- Align the cutter with the muzzle of the workpiece.
- Apply gentle pressure and rotate the cutter in a clockwise direction.
- Continue until the desired depth is achieved; avoid excessive force.

### 4. PostUse Care

- Carefully remove the cutter from the workpiece.
- Clean the cutter and pilot after use to prevent corrosion.
- Store the cutter and pilot in the provided polypropylene box when not in use.

## **Disposal Instructions**

- Dispose of the cutter and pilot in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components if available.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 90° Muzzle Facing Cutter & Brass Pilot, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with the 90° Muzzle Facing Cutter & Brass Pilot. Always prioritize safety and remain informed about best practices when using any tools. Thank you for your attention to these important guidelines.
