Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot. This tool is designed to provide precision in muzzle facing and repair. To ensure your safety and the proper use of this product, please read this guide carefully.

General Safety Guidelines

- Always read the instructions before using the product.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage before use. Do not use if damaged.
- Use protective eyewear and gloves during operation to prevent injury.
- Ensure the workspace is clean and free from distractions.
- Follow all local regulations regarding the use of tools and equipment.

Specific Safety Precautions for Use

- Use the cutter only for its intended purpose—muzzle facing and repair.
- Always secure the barrel or item being worked on firmly to prevent movement.
- Do not attempt to modify the tool or use it for purposes other than specified.
- Avoid wearing loose clothing or jewelry that may get caught in the tool.
- Ensure the cutter is properly aligned with the pilot before use.
- Do not exceed the recommended diameter specifications when using the cutter.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: the cutter, handle, and pilot.
- Ensure your workspace is welllit and organized.

2. Installation:

- Attach the pilot to the cutter securely.
- Ensure that the pilot is interchangeable if using different calibers.

3. Usage:

- Secure the barrel or item to be cut in a stable position.
- Hold the cutter firmly by the handle.
- Align the cutter at a 90° angle to the muzzle for effective cutting.
- Apply steady pressure while cutting to achieve a clean face.
- After use, detach the pilot and clean the cutter to maintain performance.

4. PostUsage:

- Store the tool in its polypropylene box to protect it from damage.
- Keep extra pilots in a safe location for future use.

Disposal Instructions

- Dispose of the tool and any components in accordance with local regulations.
- Do not dispose of any metal parts in regular household waste.
- Consider recycling options for the steel and brass components.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 90° Muzzle Facing Cutter & Brass Pilot, please refer to the EU contact point designated for product safety inquiries.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
