# Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot. This product is designed to assist you in achieving precise muzzle facing for .40/10mm calibers. Please read this safety instruction guide carefully to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used in accordance with these safety instructions to minimize risks.
- Always handle the cutter and pilot with care, as they are sharp and can cause injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the cutter and pilot for any signs of damage or wear before use.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves while using the cutter.
- Ensure a stable working surface to prevent slips and accidents during use.
- Avoid wearing loose clothing or jewelry that may get caught in the cutter.
- Do not use the cutter in wet or damp conditions to prevent slippage and electrical hazards.
- Keep your hands away from the cutting area to prevent injury.
- If you experience any discomfort or unusual sensations while using the product, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the work area is clean and welllit.
- Gather all necessary tools and components: the cutter, handle, and pilot.

### 2. Installation:

- Insert the pilot into the cutter, ensuring it is securely fitted.
- Attach the handle to the cutter, making sure it is firmly in place.

### 3. Usage:

- Position the muzzle securely in a vice or stable surface to prevent movement.
- Align the cutter at a 90° angle to the muzzle.
- Apply gentle, even pressure while rotating the cutter to achieve the desired muzzle facing.
- Periodically check the progress to ensure accuracy and prevent overcutting.
- Once the desired facing is achieved, carefully remove the cutter and pilot from the muzzle.

### 4. PostUsage:

- Clean the cutter and pilot with a dry cloth after use to remove any debris.

- Store the cutter, handle, and pilot in the provided polypropylene box to protect them from damage.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.
- Ensure that the product is fully disassembled before disposal to prevent accidental injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the safe use of the 90° Muzzle Facing Cutter & Brass Pilot, please refer to the product packaging for contact information of the manufacturer or authorized distributor. Always ensure that you have access to the latest safety information and updates.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Thank you for prioritizing safety in your use of this product.
