

45° MUZZLE/CYLINDER CHAMFERING CUTTER & BRASS PILOT - BROWNELLS 45 DEGREE FACING CUTTER & BRASS PILOT FOR .22RF MUZZLE 211"

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Break Sharp Edges On Rifle & Handgun Muzzles; Get Faster Cylinder Filling On Revolvers

45° chamfering cutter breaks the edges of the rifling for a clean bullet exit or chamfers revolver cylinder chamber mouths for quick reloads. Includes the cutter, a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately. The 45° Cutter supplied in Sets marked with an * is 5/8" dia. to correctly chamfer the larger barrel and cylinder mouths on those calibers. All other Sets have a 1/2" diameter, 45° cutter.

45\ Cutter & Brass Pilot fits .22 RF Muzzle (.211")

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instructions for the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot

Introduction

Thank you for choosing the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot. This guide provides essential safety information and usage instructions to ensure safe and effective operation of the product. Please read this manual carefully before using the product to understand the risks and how to mitigate them.

General Safety Guidelines

- Always use the product in accordance with the instructions provided in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- If you notice any damage, do not use the product and contact the manufacturer for guidance.
- Ensure that you are using the correct cutter and pilot for your specific application.
- Store the product in a safe, dry place when not in use.
- Use appropriate personal protective equipment (PPE) during operation, including safety glasses and gloves.

Specific Safety Precautions for Use

- Ensure that the work area is clean and free from obstructions before beginning work.
- Always secure the barrel or item being chamfered in a stable position before using the cutter.
- Do not attempt to modify the product or use it for any purpose other than its intended use.
- Avoid wearing loose clothing or jewelry that could become caught in the tool during operation.
- Use the cutter with a steady, controlled motion to prevent slips or accidents.
- Do not apply excessive force; let the tool do the work to avoid injury.
- Always follow the manufacturer's guidelines regarding the use of the brass pilot with the cutter.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and PPE before starting.
- Ensure that the cutter and pilot are clean and free of debris.

2. Installation:

- Attach the brass pilot securely to the cutter according to the manufacturer's instructions.
- Ensure that the pilot is compatible with the caliber you are working with (.22 RF Muzzle).

3. Usage:

- Position the barrel or item securely on a stable work surface.
- Align the cutter with the edge of the barrel or item to be chamfered.
- Apply gentle pressure and rotate the cutter in a smooth, controlled manner.
- Check frequently to ensure that the chamfer is even and to your desired specifications.

4. PostUse Care:

- After use, clean the cutter and pilot with a soft cloth to remove any residue.
- Store the cutter and pilot in the provided polypropylene box to protect them from damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling if possible.

Contact Information for Further Support

For any questions regarding the use or safety of the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot, please refer to the manufacturer's contact details provided with the product or on their official website.

Ensure that you keep this manual for future reference and share it with anyone who may use the product. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
