

## **45° MUZZLE/CYLINDER CHAMFERING CUTTER & BRASS PILOT - BROWNELLS 45 DEGREE FACING CUTTER & BRASS PILOT FOR .22RF MUZZLE 213"**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

### **Break Sharp Edges On Rifle & Handgun Muzzles; Get Faster Cylinder Filling On Revolvers**

45° chamfering cutter breaks the edges of the rifling for a clean bullet exit or chamfers revolver cylinder chamber mouths for quick reloads. Includes the cutter, a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately. The 45° Cutter supplied in Sets marked with an \* is 5/8" dia. to correctly chamfer the larger barrel and cylinder mouths on those calibers. All other Sets have a 1/2" diameter, 45° cutter.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot

## Introduction

Thank you for purchasing the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot from Brownells. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully to avoid potential hazards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the cutter.
- Keep the cutter and all its components out of reach of children and pets.
- Inspect the cutter before each use for any signs of damage or wear. Do not use if damaged.
- Store the cutter in its polypropylene box when not in use to protect it from damage and to ensure safety.

## Specific Safety Precautions for Use

- **Cutting Hazards:** The cutter has sharp edges. Handle it carefully to avoid cuts or injuries.
- **Proper Alignment:** Ensure the pilot is properly aligned with the cutter before use to prevent accidents.
- **Work Area:** Use the cutter in a welllit and clean area to reduce the risk of accidents.
- **Distraction:** Avoid distractions while using the cutter to maintain focus and control.
- **Caliber Compatibility:** Use the appropriate pilot for the caliber being chamfered to ensure safety and effectiveness.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the cutter, handle, and pilot.
- Make sure your work area is clean and welllit.

### 2. Installation of the Pilot:

- Select the appropriate pilot for the caliber you are working with.
- Insert the pilot into the cutter, ensuring it is securely locked in place.

### 3. Using the Cutter:

- Hold the handle firmly with one hand and the cutter with the other.
- Position the cutter at the desired angle (45°) to the muzzle or cylinder chamber.
- Apply gentle pressure while rotating the cutter to chamfer the edges. Avoid excessive force, which can lead to damage or injury.
- Check the chamfering progress frequently to ensure the desired depth and angle are achieved.

### 4. PostUse Care:

- Clean the cutter and pilot after use to remove any debris or residue.
- Store the cutter and components in the provided polypropylene box to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn components according to local regulations.
- Do not dispose of the cutter in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safe and effective experience with your 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot. Always prioritize safety and do not hesitate to seek assistance if needed.
