

45° MUZZLE/CYLINDER CHAMFERING CUTTER & BRASS PILOT - BROWNELLS 45 DEGREE FACING CUTTER & BRASS PILOT FOR .22RF MUZZLE 215"

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Break Sharp Edges On Rifle & Handgun Muzzles; Get Faster Cylinder Filling On Revolvers

45° chamfering cutter breaks the edges of the rifling for a clean bullet exit or chamfers revolver cylinder chamber mouths for quick reloads. Includes the cutter, a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately. The 45° Cutter supplied in Sets marked with an * is 5/8" dia. to correctly chamfer the larger barrel and cylinder mouths on those calibers. All other Sets have a 1/2" diameter, 45° cutter.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot

Introduction

Thank you for choosing the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot. This product is designed to enhance your reloading experience by chamfering the edges of the rifling for a clean bullet exit or chamfering revolver cylinder chamber mouths for quick reloads. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cutter, handle, and pilot for any damage before use.
- Ensure that you are in a wellventilated area when using this product.
- Do not use the cutter for purposes other than those specified by the manufacturer.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.

Specific Safety Precautions for Use

- **Sharp Edges:** The cutter has sharp edges that can cause cuts. Handle with care.
- **Proper Alignment:** Ensure that the pilot is properly aligned with the cutter to avoid accidents.
- **Stable Surface:** Use the cutter on a stable, nonslip surface to prevent accidents during use.
- **Avoid Distraction:** Stay focused while using the cutter; distractions can lead to accidents.
- **Storage:** Store the cutter and pilot in the provided polypropylene box when not in use to prevent damage and ensure safety.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary components: cutter, handle, and pilot.
- Ensure that you are wearing appropriate PPE.

2. Installation:

- Insert the pilot into the cutter until it is securely in place.
- Attach the handle to the cutter, ensuring it is tightly secured.

3. Usage:

- Position the cutter at a 45° angle against the edge of the muzzle or cylinder chamber.
- Apply gentle pressure while rotating the cutter to chamfer the edge.
- Check the chamfer regularly to ensure it meets your specifications.
- After use, carefully remove the pilot from the cutter and clean any debris from the cutter.

4. PostUsage Care:

- Clean the cutter and pilot with a soft cloth to remove any residue.
- Store the cutter, handle, and pilot in the polypropylene box to protect them from damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the cutter or pilot in regular household waste.
- If the product is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for additional resources.

Please remember that safety is paramount when using any tool or equipment. By following these guidelines, you can ensure a safe and effective experience with the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot.
