

45° MUZZLE/CYLINDER CHAMFERING CUTTER & BRASS PILOT - 45 DEGREE FACING CUTTER & BRASS PILOT FOR .45 CYLINDER

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Break Sharp Edges On Rifle & Handgun Muzzles; Get Faster Cylinder Filling On Revolvers

45° chamfering cutter breaks the edges of the rifling for a clean bullet exit or chamfers revolver cylinder chamber mouths for quick reloads. Includes the cutter, a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately. The 45° Cutter supplied in Sets marked with an * is 5/8" dia. to correctly chamfer the larger barrel and cylinder mouths on those calibers. All other Sets have a 1/2" diameter, 45° cutter.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot

Introduction

Thank you for purchasing the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot. This guide provides important safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this manual carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the chamfering cutter by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. Check the EU Safety Gate platform for updates.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the relevant EU contact point.
- **Rapid Alerts:** Be aware of safety alerts regarding this product via the Safety Gate system.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Sharp edges: The cutter has sharp edges that can cause cuts or injuries.
 - Improper handling: Misuse can lead to accidents or damage to the product.
- **Avoiding Hazards:**
 - Always handle the cutter with care. Use protective gloves if necessary.
 - Ensure the cutter is stored in a safe place when not in use.
 - Do not use the cutter for purposes other than intended.
- **Age Restrictions:** This product is not suitable for individuals under 18 years of age.

Instructions for Installation and Usage

- **Installation:**
 - Ensure you have the necessary tools and workspace.
 - Select the appropriate pilot for your caliber.
 - Attach the pilot securely to the cutter using the provided handle.
- **Usage:**
 - Always wear safety goggles to protect your eyes from debris.
 - Hold the cutter firmly and ensure it is stable before use.
 - Apply even pressure while chamfering to achieve a consistent edge.
 - Do not force the cutter; let the tool do the work.
- **After Use:**
 - Clean the cutter and pilot after each use to maintain performance.
 - Store the cutter in the provided polypropylene box to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any questions or additional support regarding the product, refer to the contact details provided by your retailer or manufacturer.

Thank you for choosing the 45° Muzzle/Cylinder Chamfering Cutter & Brass Pilot. By following these safety instructions, you can ensure a safe and effective experience with your new tool.
