# OVERPIN MASTER KIT Safety Instructions

## Introduction

Thank you for choosing the OVERPIN MASTER KIT. This product is designed to provide highquality coil springs for use over gun pins and plungers. Please read these safety instructions carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle the coil springs with care to avoid injury.
- Store the product in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the coil springs for any signs of wear or damage before use.
- Report any unsafe conditions or incidents involving the product to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended load capacity of the coil springs.
- Avoid using the springs in environments that may expose them to extreme temperatures or corrosive substances.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the springs.
- Ensure that the working area is clean and free of obstructions to prevent accidents during installation and usage.
- Keep hands and other body parts clear of the spring's movement path during operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure the work area is welllit and organized.

### 2. Installation:

- Carefully remove the coil springs from the packaging.
- Verify that you have the correct size and type of springs for your application.
- Follow the specific instructions for your firearm or device regarding the installation of coil springs.
- Position the coil spring over the pin or plunger as specified in the manufacturer's instructions.
- Ensure that the spring is seated properly to avoid any binding or misalignment.

### 3. Usage:

- After installation, test the functionality of the device to ensure smooth operation.
- If you notice any irregularities, such as binding or unusual sounds, discontinue use immediately and inspect the installation.
- Regularly check the coil springs for any signs of wear or damage during use.

## Disposal Instructions

- Dispose of any damaged or worn coil springs in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling or hazardous waste facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the OVERPIN MASTER KIT, please reach out to the designated support contact listed on the packaging or product documentation. Ensure to have your product information ready for efficient assistance.

## **Conclusion**

Following these safety instructions will help ensure the safe and effective use of the OVERPIN MASTER KIT. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
