OVERPIN KITS Safety Instruction Guide

Introduction

Thank you for choosing the OVERPIN KITS. These kits contain highquality coil springs designed for smooth operation over gun pins and plungers. It is essential to follow the safety guidelines outlined in this document to ensure safe usage and prevent accidents.

General Safety Guidelines

- Ensure safe use of the OVERPIN KITS by following these guidelines:
 - Read all instructions carefully before use.
 - Use the product only for its intended purpose.
 - Keep the product out of reach of children and vulnerable individuals.
 - Regularly inspect the springs for damage or wear before use.
 - Report any unsafe products or accidents to the relevant authorities.
 - Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the OVERPIN KITS, please adhere to the following precautions:
 - Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves.
 - Ensure that the work area is clean and free from hazards.
 - Do not exceed the recommended load limits for the springs.
 - Avoid using damaged or worn springs, as they may fail and cause injury.
 - Keep hands and other body parts clear of moving parts during operation.
 - Do not modify the springs or use them in a manner not specified by the manufacturer.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the OVERPIN KITS:
 1. **Preparation:**
 - Gather all necessary tools and materials.
 - Ensure that the work area is organized and welllit.
 2. **Installation:**
 - Select the appropriate coil spring size for your application (available sizes range from 3/32" to 3/16").
 - Carefully position the spring over the gun pin or plunger.
 - Ensure that the spring is seated correctly and is not binding.
 - Secure the spring in place according to your specific application requirements.
 3. **Usage:**
 - Operate the mechanism slowly and smoothly to avoid sudden stress on the springs.
 - Monitor the operation for any signs of binding or malfunction.
 - If any issues arise, cease operation immediately and inspect the springs for damage.

Disposal Instructions

- When disposing of the OVERPIN KITS, please consider the following:
 - Dispose of the product in accordance with local regulations.
 - Avoid throwing springs directly into regular waste; check for recycling options.
 - Ensure that springs are not accessible to children or pets during disposal.

Contact Information for Further Support

For any inquiries or support related to your OVERPIN KITS, please reach out to the manufacturer through the provided channels.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your OVERPIN KITS.
