Safety Instruction Guide for "INHOLE" KITS

Introduction

Thank you for choosing the "INHOLE" KITS. This guide provides essential safety instructions and information to ensure the safe use of the coil springs included in your kit. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety**: Ensure safe use of all nonfood products, including new technologies and online purchases. This product is designed for specific applications and should be used only as intended.
- **Enhanced Recalls**: Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided for free remedies.
- **Online Shopping**: When purchasing online, ensure that the platform meets safety requirements equivalent to those of physical stores.
- **Special Consumer Focus**: Extra safeguards are in place for vulnerable groups, including children. Keep the product out of reach of children.
- **EU Contact Point**: For safety inquiries, refer to the contact information provided by the manufacturer.
- **Rapid Alerts**: Monitor updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification**:

  - The coil springs are under tension and can cause injury if mishandled.
  - Ensure that the springs are not compressed or stretched beyond their intended limits.

- **Avoiding Hazards**:

  - Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling the springs.
  - Inspect the springs for any signs of damage or wear before use. Do not use damaged springs.
  - Ensure that the workspace is clear of obstacles and distractions to prevent accidents.

- **AgeSpecific Warnings**:

  - This product is not intended for use by children. Store it in a safe location out of reach of children.

Instructions for Installation and Usage

- **Installation**:

  - Ensure that the area where the springs will be used is clean and free from debris.
  - Select the appropriate spring size based on the hole dimensions (from 3/32" (2.4mm) to 1/4" (4.7mm)).
  - Carefully insert the coil spring into the designated hole, ensuring a snug fit without excessive force.

- **Usage**:

  - Use the springs only for their intended purpose. Do not modify or alter the springs.
  - When applying tension to the springs, do so gradually to avoid sudden releases that may cause injury.

     ○ Always maintain a safe distance from the spring while it is under tension.

Disposal Instructions

- Dispose of any damaged or worn springs in accordance with local regulations for metal recycling.
- Do not dispose of the springs in regular household waste.
- If unsure about disposal methods, consult local waste management authorities.

Contact Information for Further Support

For any inquiries or further assistance regarding the "INHOLE" KITS, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and effective experience with your "INHOLE" KITS. Thank you for your attention to safety.
