

# **SPIRAL FLUTE LONG FORCING CONE REAMER - BROWNELLS SPIRAL FLUTE LONG FORCING CONE REAMER, .410 BORE, 3/8" HEX**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Reamers](#) > [Shotgun Reamers](#)

## **Smooth Cutting Reamers Improve Pattern Density**

Lengthening the forcing cone area decreases pellet deformation and felt recoil for a dramatic improvement in pattern density, shooting comfort and overall shotgun performance. Custom-made reamers with five, spiral flutes increase the cutting surface area for a smooth, chatter-free cut on all types of barrel steel. Do not use on chrome lined bores. Hex-drive shank allows the use of a standard square drive socket and T-handle.

## **Attributes**

- Name: [BROWNELLS SPIRAL FLUTE LONG FORCING CONE REAMER, .410 BORE, 3/8" HEX](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080961410
- Mfr. No.: 50415
- Cartridge: .410 Bore
- Style: Long Forcing Cone
- Delivery weight: 0.091kg
- Shipping height: 10mm
- Shipping width: 56mm
- Shipping length: 208mm
- UPC: 736681504154

# Safety Instruction Guide for SPIRAL FLUTE LONG FORCING CONE REAMER

## Introduction

Thank you for purchasing the SPIRAL FLUTE LONG FORCING CONE REAMER from BROWNELLS. This tool is designed to improve shotgun performance by lengthening the forcing cone area, thereby reducing pellet deformation and felt recoil. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the reamer is used in accordance with local laws and regulations.
- Store the tool in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- If you encounter any issues or have concerns about the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not use the reamer on chrome lined bores, as this may cause damage to the tool and the firearm.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the reamer.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning any work.
- Use the reamer only with a compatible hexdrive socket and Thandle to avoid accidents.
- Keep hands and other body parts clear of the cutting area during operation to prevent injury.
- Be aware of your surroundings and ensure that no one is in close proximity while using the tool.

## Instructions for Installation and Usage

### 1. Preparation:

- Verify that the firearm is unloaded and safe to work on.
- Gather all necessary tools, including the SPIRAL FLUTE LONG FORCING CONE REAMER, hexdrive socket, and Thandle.

### 2. Installation:

- Insert the hexdrive shank of the reamer into the hexdrive socket.
- Secure the socket in the Thandle for better control during use.

### 3. Usage:

- Position the reamer at the forcing cone area of the barrel.
- Apply steady and even pressure while turning the Thandle clockwise.
- Avoid applying excessive force, which may result in tool or firearm damage.
- Periodically check for debris and clean the reamer as necessary to maintain cutting efficiency.

### 4. Completion:

- Once the desired depth is achieved, carefully remove the reamer from the barrel.
- Clean the reamer and store it in a safe location.

## Disposal Instructions

- Dispose of the reamer in accordance with local regulations regarding metal waste.
- Do not dispose of the tool in regular household waste.
- If the tool is damaged beyond repair, contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any inquiries about the SPIRAL FLUTE LONG FORCING CONE REAMER or to report unsafe products, please refer to the appropriate local authorities or the EU's Safety Gate platform for updates and further assistance.

This guide is designed to help you use the SPIRAL FLUTE LONG FORCING CONE REAMER safely and effectively. By following these instructions, you can ensure a safer working environment and enhance your shotgun performance. Thank you for your attention to these safety measures.
