MEASURING SPOON SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Measuring Spoon Set. This guide provides essential safety instructions to ensure the safe and effective use of your measuring spoons. Please read and follow these guidelines carefully.

General Safety Guidelines

- Ensure that the measuring spoons are used only for their intended purpose.
- Keep the measuring spoons out of reach of children to prevent accidental injury.
- Inspect the measuring spoons before each use. Do not use if damaged or worn.
- Avoid using sharp or abrasive cleaning tools that may scratch the surface of the spoons.
- Do not use the measuring spoons for any food items that may cause allergic reactions, if applicable.

Specific Safety Precautions for Use

- **Avoid Heat:** Do not expose the measuring spoons to high heat or open flames, as this may cause warping or damage.
- **Avoid Chemicals:** Do not use the spoons with harsh chemicals or solvents that could corrode the stainless steel finish.
- **NonFood Use:** While these spoons are designed for measuring, they should not be used for any purpose other than measuring ingredients.
- **Cleaning:** Clean the spoons with warm, soapy water and a soft cloth. Rinse thoroughly and dry immediately to prevent water spots.

Instructions for Installation and Usage

1. Selecting the Spoon:

- Choose the appropriate spoon size based on the measurement required:
 - 1/4 teaspoon (1 mL)
 - 1/2 teaspoon (2 mL)
 - 1 teaspoon (5 mL)
 - 1 tablespoon (15 mL)

2. Measuring Ingredients:

- For dry ingredients, scoop the spoon into the ingredient and level off with a straight edge for accurate measurement.
- For liquid ingredients, fill the spoon to the brim without overflowing.

3. Cleaning After Use:

- After each use, wash the spoons with warm, soapy water.
- Rinse thoroughly to remove any soap residue.
- Dry the spoons immediately with a soft cloth to maintain their shine.

4. Storage:

- Store the measuring spoons in a dry place to prevent rusting.
- Consider using a designated drawer or container to keep them organized and easily accessible.

Disposal Instructions

- When the measuring spoons reach the end of their life cycle or are no longer usable, dispose of them responsibly.
- Recycle the stainless steel material if local recycling facilities accept such items.
- Do not dispose of in regular household waste if they are still usable; consider donating to local charities or community kitchens.

Contact Information for Further Support

For safety inquiries or concerns regarding the Brownells Measuring Spoon Set, please contact the manufacturer directly. Ensure you have the product information available when reaching out for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure the safe and effective use of your Brownells Measuring Spoon Set.
