# Safety Instruction Guide for PARKERIZING SUPPLIES ONLY ATOMIZED STEEL POWDER 12OZ

## Introduction

Thank you for choosing PARKERIZING SUPPLIES ONLY ATOMIZED STEEL POWDER 12OZ. This product is designed for use in Parkerizing processes, which enhance the durability and corrosion resistance of metal surfaces. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand the product label and safety data sheet (SDS) before use.
- Keep the product out of reach of children and pets.
- Use the product only for its intended purpose as described.
- Ensure proper ventilation when using this product.
- Wear appropriate personal protective equipment (PPE) including gloves, goggles, and a mask to avoid inhalation of dust or fumes.
- Do not eat, drink, or smoke while using this product.
- In case of an emergency, seek medical attention immediately.

## Specific Safety Precautions for Use

- **Hazard Identification:** This product may pose risks including skin irritation, respiratory irritation, and environmental hazards if not handled properly.
- **Avoid Skin Contact:** Wear protective gloves when handling the powder to prevent skin irritation.
- **Inhalation Precautions:** Use in a wellventilated area to avoid inhaling dust or fumes. If exposure occurs, move to fresh air and seek medical attention if symptoms persist.
- **Eye Protection:** Always wear safety goggles to protect your eyes from dust and splashes.
- **Environmental Safety:** Do not dispose of the product in waterways or soil. Follow local regulations for disposal.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the workspace is clean and wellventilated.
- Gather all necessary equipment and protective gear before starting.

### 2. Mixing the Solution:

- Measure 16 oz. (473 ml) of Parkerizing powder.
- Add to 1 gallon of water to create the solution.
- Stir thoroughly until the powder is completely dissolved.

### 3. Application:

- Submerge the metal parts in the prepared solution.
- Follow the recommended immersion time based on the type of metal and desired finish.
- Rinse parts thoroughly with clean water after treatment.

### 4. PostUse Care:

- Clean all tools and equipment used during the application process.
- Store any leftover solution in a labeled, sealed container away from children and pets.

## **Disposal Instructions**

- Dispose of any unused product and contaminated materials in accordance with local regulations.
- Do not dispose of the product in household waste or down the drain.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the use of this product, please refer to the manufacturer's contact information provided on the product packaging or the official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using PARKERIZING SUPPLIES ONLY ATOMIZED STEEL POWDER 12OZ. Always prioritize safety and consult the safety data sheet for more detailed information. Thank you for your attention to these guidelines.
