EPOXY MIXING PADS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Brownells Epoxy Mixing Pads. These pads are designed to provide a clean and efficient surface for mixing epoxy and other materials. This safety instruction guide is intended to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** The Epoxy Mixing Pads are made of slick, plasticized paper and are designed for safe use. Always follow the instructions to minimize risks.
- **Enhanced Recalls:** In the unlikely event of a product recall, standardized notices will be provided. You are entitled to a free remedy for any dangerous products.
- **Online Shopping:** If purchased online, you have the same safety protections as if you bought the product from a physical store.
- **Special Consumer Focus:** Extra precautions are taken to ensure the safety of vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, a designated EU contact point is available to assist you.
- **Rapid Alerts:** Stay informed about product safety updates through the Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Contact with Skin:** Prolonged contact with the pads may cause skin irritation. Always handle with care.
- **Keep Away from Children:** These pads are not toys and should be kept out of reach of children to prevent accidental use or ingestion.
- **Use in a WellVentilated Area:** Ensure adequate ventilation when using epoxy or other materials to avoid inhalation of fumes.
- **Do Not Use with Food Products:** These pads are not intended for food use. Do not mix food substances on these pads.

Instructions for Installation and Usage

1. **Unpack the Pads:** Remove the pads from the packaging. Ensure that all sheets are intact and undamaged.
2. **Select a Flat Surface:** Choose a clean, flat surface for mixing. Ensure the area is wellventilated.
3. **Use the Top Sheet:** Take the top sheet of the pad for mixing. Once used, tear it off along the padded edges and dispose of it properly.
4. **Dispose of Used Sheets:** Dispose of used sheets in accordance with local waste disposal regulations. Do not flush down toilets or throw in recycling bins unless specified.
5. **Store Properly:** Keep the remaining pads in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- **General Waste:** Used pads should be disposed of in general waste unless local regulations specify otherwise.
- **Recycling:** Check with your local waste management authority to see if the pads can be recycled. Do not attempt to recycle if there are any adhesives or chemical residues.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of the Brownells Epoxy Mixing Pads, please reach out to the designated EU contact point or consult the Safety Gate platform for updates on product safety.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your Brownells Epoxy Mixing Pads.
