Safety Instruction Guide for REUSABLE SYRINGES

REUSABLE SYRINGE TRYPACK, SET OF 3

Introduction

Thank you for choosing the REUSABLE SYRINGES REUSABLE SYRINGE TRYPACK, SET OF 3. This product is designed to help you apply the right amount of cutting compounds or greases precisely where needed. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the syringes for their intended purpose.
- Keep the syringes out of reach of children and vulnerable individuals.
- Inspect the syringes before each use for any signs of damage or wear.
- Do not use the syringes with food or beverages.
- Dispose of any materials used in the syringes according to local regulations.
- In case of an emergency or injury, seek medical attention immediately.

Specific Safety Precautions for Use

- Ensure that the syringes are clean and free from contaminants before use.
- Use appropriate personal protective equipment (PPE) such as gloves and goggles if handling hazardous materials.
- Avoid overfilling the syringes to prevent spills or leaks.
- Do not attempt to repair or modify the syringes.
- If you notice any leakage, stop using the syringe immediately and dispose of it properly.

Instructions for Installation and Usage

1. Preparation:

- Wash your hands thoroughly before handling the syringes.
- Ensure the work area is clean and welllit.

2. Filling the Syringe:

- Remove the syringe from its packaging.
- Pull back the plunger to create a vacuum.
- Dip the syringe tip into the compound or grease and slowly release the plunger to draw the material into the syringe.
- Avoid drawing air bubbles into the syringe.

3. Using the Syringe:

- Position the syringe tip precisely where you want to apply the material.
- Gently push the plunger to dispense the material.
- Control the flow by adjusting the pressure on the plunger.

4. After Use:

- Clean the syringe immediately after use with appropriate cleaning agents.
- Allow the syringe to dry completely before storing.
- Store the syringes in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the syringes in accordance with local waste disposal regulations.
- Do not throw syringes in regular household waste if they contain hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support
