# Safety Instruction Guide for REUSABLE SYRINGES

## BROWNELLS REUSABLE SYRINGE 10CC 6 PACK

### Introduction

Thank you for choosing the REUSABLE SYRINGES BROWNELLS REUSABLE SYRINGE 10CC 6 PACK. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the syringes.

### General Safety Guidelines

- Ensure that the syringes are used only for their intended purpose, which is to dispense cutting compounds or greases.
- Keep the syringes out of reach of children and vulnerable individuals to prevent accidental use.
- Always inspect the syringes before use. Do not use if damaged or compromised.
- Follow all local regulations regarding the disposal of materials used with the syringes.
- Report any unsafe products or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- Avoid contact with sharp objects that may puncture the syringes.
- Do not use the syringes to dispense food or beverages.
- Ensure that the syringes are cleaned thoroughly after each use to prevent contamination.
- Store the syringes in a cool, dry place away from direct sunlight.
- If using with chemicals, check compatibility to avoid reactions that may cause damage or hazards.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that your work area is clean and free from clutter.
- Gather all necessary materials you will be using with the syringes.

#### 2. Filling the Syringe:

- Remove the syringe from its packaging.
- Draw the desired amount of cutting compound or grease into the syringe by pulling the plunger back.
- Ensure there are no air bubbles in the syringe for accurate dispensing.

#### 3. Using the Syringe:

- Position the syringe tip at the desired application site.
- Gently push the plunger to dispense the material.
- Control the flow by adjusting the pressure applied to the plunger.

#### 4. Cleaning After Use:

- After use, clean the syringe with an appropriate solvent to remove any residue.
- Allow the syringe to dry completely before storing.

#### 5. Storage:

- Store the syringes in their original packaging or a protective container.

- Ensure they are stored upright to prevent leakage.

## **Disposal Instructions**

- Dispose of syringes in accordance with local regulations.
- If the syringes have been used with hazardous materials, consult local waste management guidelines for proper disposal methods.
- Do not dispose of syringes in regular household waste if they contain hazardous substances.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

Please ensure that these safety instructions are followed to maximize your safety and the effectiveness of the REUSABLE SYRINGES BROWNELLS REUSABLE SYRINGE 10CC 6 PACK. Thank you for your attention to these important guidelines.
