# Safety Instruction Guide for REUSABLE SYRINGES

## BROWNELLS REUSABLE SYRINGE 30CC 6 PACK

### Introduction

Thank you for choosing the REUSABLE SYRINGES BROWNELLS REUSABLE SYRINGE 30CC 6 PACK. This product is designed for precise application of cutting compounds or greases, making it ideal for use in tight spaces. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Ensure the syringes are used only for their intended purpose.
- Keep the syringes out of reach of children and vulnerable individuals.
- Inspect the syringes for any signs of damage before each use. Do not use if damaged.
- Store the syringes in a cool, dry place away from direct sunlight.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Do not use the syringes for food or beverages.
- Avoid contact with eyes and skin when using cutting compounds or greases.
- Use personal protective equipment (PPE) such as gloves and safety goggles if necessary.
- Ensure proper ventilation when using any chemicals or compounds.
- Do not overfill the syringes beyond the indicated capacity.
- Dispose of any unused or expired compounds in accordance with local regulations.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary materials and compounds before starting.
- Clean the syringes with warm soapy water and rinse thoroughly before first use.

#### 2. Filling the Syringe:

- Remove the syringe cap.
- Submerge the tip of the syringe into the desired compound.
- Pull the plunger back slowly to fill the syringe to the desired level.
- Ensure there are no air bubbles in the syringe. If present, gently tap the syringe to release air.

#### 3. Application:

- Position the syringe tip at the desired application site.
- Slowly push the plunger to dispense the compound.
- Control the flow by adjusting the pressure on the plunger.

#### 4. PostUse:

- Clean the syringe immediately after use with warm soapy water.
- Rinse thoroughly and allow to dry completely before storing.

## **Disposal Instructions**

- Dispose of any used syringes in accordance with local waste disposal regulations.
- Do not dispose of syringes in regular household waste if they contain hazardous materials.
- Follow local guidelines for the disposal of chemicals or compounds used with the syringes.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the REUSABLE SYRINGES BROWNELLS REUSABLE SYRINGE 30CC 6 PACK, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your REUSABLE SYRINGES. Thank you for your attention to these important safety guidelines.
