Safety Instruction Guide for REUSABLE SYRINGES

BROWNELLS REUSABLE SYRINGE 50CC 6 PACK

Introduction

Thank you for choosing the REUSABLE SYRINGES BROWNELLS REUSABLE SYRINGE 50CC 6 PACK. This guide provides essential safety instructions to ensure the safe use of this product. Please read through this document carefully before using the syringes.

General Safety Guidelines

- Ensure that the syringes are used only for their intended purpose, which is to dispense cutting compounds or greases.
- Keep syringes out of reach of children and vulnerable individuals to prevent accidental use.
- Inspect syringes before each use for any signs of damage or wear. Do not use damaged syringes.
- Always clean syringes thoroughly after each use to prevent contamination.
- Do not use syringes with food or beverages.
- In case of accidental exposure to any substances dispensed, seek medical advice immediately.

Specific Safety Precautions for Use

- Use the appropriate size syringe for your specific application to ensure precision and safety.
- When filling the syringes, do so in a wellventilated area to avoid inhaling fumes from the compounds or greases.
- Avoid overfilling the syringes to prevent leakage during use.
- Always point the syringe away from yourself and others when dispensing to avoid accidental spraying.
- If using syringes with hazardous materials, wear appropriate personal protective equipment (PPE), such as gloves and goggles.

Instructions for Installation and Usage

1. Preparation:

- Select the appropriate syringe size (10cc, 30cc, or 50cc) based on your needs.
- Ensure that the work area is clean and welllit.

2. Filling the Syringe:

- Remove the syringe cap.
- Draw the desired amount of cutting compound or grease into the syringe by pulling back the plunger.
- Ensure that the plunger moves smoothly without resistance.

3. Dispensing the Material:

- Position the syringe tip at the desired application site.
- Slowly push the plunger to dispense the material.
- Avoid applying excessive force to prevent breakage.

4. PostUse Care:

- After use, clean the syringe thoroughly with appropriate solvents or cleaning agents.
- Store the syringes in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of used syringes in accordance with local regulations regarding hazardous waste.
- Do not dispose of syringes in regular household waste.
- If the syringes have been used with hazardous materials, ensure they are treated as hazardous waste.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided on the product packaging or visit the official website.

Conclusion

Following these safety instructions will help ensure the safe and effective use of the REUSABLE SYRINGES BROWNELLS REUSABLE SYRINGE 50CC 6 PACK. Always prioritize safety and stay informed about best practices for using this product. Thank you for your attention to these guidelines.
