# STOCK RUBBING KIT Safety Instructions

## Introduction

Thank you for choosing the STOCK RUBBING KIT. This product is designed to help you achieve remarkable, handrubbed stock finishes and restore dull, worn finishes. To ensure your safety and the safe use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always read the product label and instructions before use.
- Keep the product out of reach of children and pets.
- Use the product in a wellventilated area to avoid inhaling fumes.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Do not ingest the product. In case of ingestion, seek medical attention immediately.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Dispose of any unused product according to local regulations.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including gloves and safety goggles.
- Ensure that the workspace is clean and free from flammable materials.
- Do not mix with other chemicals unless specified in the instructions.
- Be cautious of surfaces that may become slippery when the product is applied.
- Follow the instructions carefully to avoid overapplication, which may lead to undesirable results.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be treated is clean and dry.
- Gather all necessary materials from the kit, including linseed oil, rottenstone, felt pads, and instructions.

### 2. Applying the Finish:

- Pour a small amount of linseed oil onto a felt pad.
- Gently rub the pad onto the surface in a circular motion.
- Apply an even layer, ensuring complete coverage without excess pooling.
- Allow the finish to dry as per the instructions provided.

### 3. Restoring Dull Finishes:

- For dull or worn surfaces, repeat the application process as needed to achieve the desired finish.
- Use the rottenstone as a polishing agent if specified in the instructions.

### 4. Final Touches:

- Once the finish is dry, inspect the surface for any imperfections.
- If necessary, lightly sand the surface with finegrit sandpaper before applying additional coats.

## Disposal Instructions

- Dispose of any leftover linseed oil and materials in accordance with local hazardous waste regulations.

- Do not pour unused product down the drain or in the trash.
- Ensure all materials used in the application are disposed of safely to avoid environmental contamination.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact details provided on the product packaging or your point of purchase.

By following these safety instructions, you can ensure a safe and effective experience with the STOCK RUBBING KIT. Thank you for your attention to safety, and enjoy your project!
