# Safety Instruction Guide for ROTTENSTONE BROWNELLS ROTTENSTONE 1LB

## Introduction

Thank you for choosing ROTTENSTONE BROWNELLS ROTTENSTONE 1LB. This product is a genuine, triple fine Rottenstone powder that has been used by professional stock finishers for generations. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhalation of dust.
- Keep out of reach of children and pets.
- Do not ingest the product. It is intended for use as an abrasive and not for consumption.
- Use appropriate personal protective equipment (PPE), such as gloves and a dust mask, when handling the product.
- Store the product in a cool, dry place, away from direct sunlight and moisture.

## Specific Safety Precautions for Use

- When mixing Rottenstone with linseed oil, ensure that you are in a wellventilated area to minimize inhalation of fumes.
- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Do not mix with any other substances unless specified in the instructions.
- Use only on fully dried finishes to prevent damage to the surface being treated.
- Dispose of any unused product or waste according to local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface you will be working on is fully dried.
- Gather all necessary materials: Rottenstone powder, linseed oil, felt pad, gloves, and a dust mask.

### 2. Mixing:

- In a suitable container, mix the Rottenstone powder with linseed oil to create a paste. The mixture should be smooth and easy to apply.
- Use the ratio of Rottenstone to linseed oil that works best for your application.

### 3. Application:

- Apply the mixture to the surface using a felt pad.
- Work the mixture over the finish in a circular motion, applying gentle pressure. Ensure even coverage.

### 4. Finishing:

- Once the desired finish is achieved, wipe the surface with a clean cloth to remove any excess mixture.
- Allow the surface to dry completely before further handling or applying additional finishes.

## Disposal Instructions

- Dispose of any unused product or empty containers in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste or down the drain.

## Contact Information for Further Support

For any safety inquiries or further support regarding the use of ROTTENSTONE BROWNELLS ROTTENSTONE 1LB, please refer to the official contact point provided by the manufacturer.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with ROTTENSTONE BROWNELLS ROTTENSTONE 1LB. Always prioritize safety and consult this guide whenever you have questions about using the product. Thank you for your attention to these important safety measures.
