

SILICON CARBIDE ABRASIVE COMPOUND - BROWNELLS SILICON CARBIDE ABRASIVE COMPOUND #400 GRIT

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Abrasives](#) > [Lapping Compounds](#)

Sharp-Edged Silicon Carbide Self-Lubricating Petroleum Base

The very best abrasive compound for "hard fitting" two pieces of steel. Stands up to continued fitting even on hardened and heat-treated steel. Silicon carbide grit combined with a thick, long lasting lubricant breaks down into smaller and smaller sharp-edged particles to keep cutting longer than aluminum oxide compounds. For use on steel only. Remove with solvent.

Attributes

- Name: [BROWNELLS SILICON CARBIDE ABRASIVE COMPOUND #400 GRIT](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 083045400
- Mfr. No.:
- Grit: 400
- Delivery weight: 0.159kg
- Shipping height: 41mm
- Shipping width: 91mm
- Shipping length: 89mm
- UPC: 050806103092

Safety Instruction Guide for SILICON CARBIDE ABRASIVE COMPOUND 400 GRIT

Introduction

Thank you for choosing the SILICON CARBIDE ABRASIVE COMPOUND 400 GRIT by BROWNELLS. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read the entire guide before using the compound.

General Safety Guidelines

- Always use personal protective equipment (PPE) such as gloves, goggles, and a dust mask when handling the abrasive compound.
- Ensure proper ventilation in the workspace to avoid inhalation of dust.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the compound for any purpose other than its intended use on steel.
- Regularly check for updates on product safety and recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** The product may produce fine dust that can be harmful if inhaled. It may also cause skin irritation upon contact.
- **Avoiding Hazards:**
 - Always wear a dust mask to prevent inhalation of particles.
 - Use gloves to protect your skin from irritation.
 - Avoid direct contact with the eyes; in case of contact, rinse immediately with water.
 - Do not ingest the product; it is for external use only.
 - If you experience any adverse reactions, discontinue use immediately and seek medical attention.

Instructions for Installation and Usage

- **Preparation:**
 - Ensure the work area is clean and free of clutter.
 - Gather all necessary tools and PPE before starting.
- **Using the Abrasive Compound:**
 - Apply a small amount of the compound to the surfaces of the steel pieces you are fitting.
 - Use a lapping tool or similar device to work the surfaces together.
 - Periodically check the fit and reapply the compound as necessary.
 - After use, clean the surfaces with a suitable solvent to remove any residue.
- **Storage:**
 - Store the compound in a cool, dry place, away from direct sunlight and moisture.
 - Ensure the container is tightly closed when not in use to prevent contamination.

Disposal Instructions

- Dispose of any unused or waste material in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for local hazardous waste disposal options.
- Ensure that the container is empty and clean before disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SILICON CARBIDE ABRASIVE COMPOUND, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
