## The Ultimate Synthetic Grease That Slicks Up & Protects A Lot More Than Just Triggers; Smooth, Friction-Free Operation For All Types Of Firearms

If you have a firearm that "works", then you need Action Lube Plus. Not a petroleum-based grease, but a synthetic-based, semi-solid lubricant developed and used by military special forces to protect expensive, hi-tech firearms and equipment in all temperatures and all environments; from the deserts of Kuwait to the Bering Strait. Actually exceeds the mil spec of standard, molybdenum disulfide grease. Action Lube Plus lubricates and inhibits corrosion and galling from salt water, powder residue, sweat and moisture on all types of metal, including stainless steel, titanium and aluminum. Action Lube Plus is very concentrated; only a small amount applied to the face of sears and triggers will dramatically decrease pull weight as well as smooth actual trigger feel. On high friction points like bolt raceways and lever mechanisms, just a dab of Action Lube Plus completely eliminates wear and helps assure reliable functioning. A very light coating on the outside of your guns will keep fingerprints neutralized and protect expensive bluing from rust and moisture damage that can occur during storage.

## Attributes

- Name: [ACTION LUBE PLUS, 2OZ TUB](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 083050002
- Mfr. No.: NONE
- Size: 2 oz
- Delivery weight: 0.077kg
- Shipping height: 43mm
- Shipping width: 25mm
- Shipping length: 48mm

# ACTION LUBE PLUS® Safety Instruction Guide

## Introduction

Thank you for choosing ACTION LUBE PLUS®! This product is a syntheticbased, semisolid lubricant designed to enhance the performance and longevity of your firearms and equipment. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** ACTION LUBE PLUS® is designed for safe use with firearms. Always follow the instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for safe disposal or return.
- **Online Shopping:** If purchasing online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the product packaging for the appropriate contact information.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Avoid Inhalation:** Do not inhale vapors. Use in a wellventilated area.
- **Skin Contact:** Avoid prolonged skin contact. If skin irritation occurs, wash with soap and water.
- **Eye Contact:** In case of eye contact, rinse immediately with plenty of water and seek medical attention if irritation persists.
- **Flammability:** Keep away from open flames and high heat sources. Store in a cool, dry place.
- **Storage:** Store in the original container, tightly closed, and in a secure location.

## Instructions for Installation and Usage

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition before applying ACTION LUBE PLUS®.
2. **Application:**
  - Shake the container gently before use.
  - Apply a small amount of ACTION LUBE PLUS® to the face of sears and triggers.
  - For high friction points like bolt raceways and lever mechanisms, apply a dab to eliminate wear.
  - A very light coating on the exterior will help protect against fingerprints and moisture.
3. **PostApplication:** Allow the lubricant to settle for a few minutes before using the firearm.
4. **Frequency of Use:** Use as needed based on the level of use and environmental conditions.

## Disposal Instructions

- **Container Disposal:** Dispose of the empty container in accordance with local regulations.
- **Product Disposal:** Do not pour down drains or dispose of in regular trash. Follow local hazardous waste disposal guidelines.

## Contact Information for Further Support

For any further questions or concerns regarding the use of ACTION LUBE PLUS®, please refer to the packaging for the appropriate contact information.

Thank you for choosing ACTION LUBE PLUS®. Your safety and satisfaction are our top priorities.
