

# **ACTION MAGIC II® - BROWNELLS ACTION MAGIC II PART A POWDER, .5 OZ**

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Dry Lubricants](#)

## **Increased Lubricity For All Moving Metal Parts; Exclusive, Two-Step Dry Formula Will Not Attract Water, Dust, Sand Or Contaminants**

Action Magic II is made for the gun enthusiast, hunter and competitor that needs superior firearm lubrication without the greasy feel or contaminant-inducing properties so common to conventional gun oils. Action Magic II is not a quick-spray, "wonder oil", but a two-step, permanent, firearms lubrication treatment with a natural affinity for metal that actually bonds to any metal surface at the molecular level. Easy-to-apply treatment greatly enhances surface lubricity for extreme, long-lasting resistance to corrosion and accelerated wear caused by friction and heat. After firing literally thousands of rounds, tests on semi-auto pistols have shown no measurable wear, and cleanup was as simple as dusting off powder residue with a soft nylon brush! Unlike oil-based lubricants, Action Magic II will not attract moisture in wet environments and cannot freeze in cold weather. The dry, silver-gray, lubricated surface resists powder residue, carbon, lead, dirt and fouling so your firearm stays cleaner, longer. Action Magic II treatment can be used inside bores, on semi-auto pistol slides, frames, triggers and sears, rifle bolts and raceways; anywhere you want a highly lubricated, non-wearing surface that stays clean, maintenance- and corrosion-free for thousands of rounds.

## **Attributes**

- Name: [BROWNELLS ACTION MAGIC II PART A POWDER, .5 OZ](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 083052101
- Mfr. No.:
- Material: Powder
- Size: .625 oz
- Delivery weight: 0.054kg
- UPC: 050806021471

## PART A POWDER Safety Instruction Guide

### Introduction

Thank you for choosing ACTION MAGIC II® BROWNELLS ACTION MAGIC II PART A POWDER. This product is designed for gun enthusiasts, hunters, and competitors who require superior firearm lubrication. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use and complies with EU General Product Safety Regulations (GPSR).
- **Enhanced Recalls:** In case of any safety concerns, recall notices will be provided, and remedies will be offered for any dangerous products.
- **Online Shopping:** The same safety protections apply whether you purchase this product online or in a physical store.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU Safety Gate system.

### Specific Safety Precautions for Use

- **Avoid Inhalation:** Do not inhale the powder. Use in a wellventilated area.
- **Skin Contact:** Avoid prolonged skin contact. If contact occurs, wash the area thoroughly with soap and water.
- **Eye Protection:** Wear safety goggles when applying the product to prevent any splashes into the eyes.
- **Keep Away from Children:** Store the product out of reach of children and ensure they do not have access to it.
- **Avoid Open Flames:** Keep away from heat sources and open flames as the product may be flammable.
- **Use Appropriate Tools:** Use the provided needle oiler bottles for application to avoid spills and ensure accurate application.

### Instructions for Installation and Usage

1. **Preparation:** Ensure the firearm is unloaded and in a safe condition before applying ACTION MAGIC II®.
2. **Application:**
  - Shake the needle oiler bottle containing the dry powder before use.
  - Apply a small amount of the powder to the desired metal surface using the needle oiler.
  - Ensure even coverage across the surface.
3. **Bonding:** Allow the powder to bond to the metal surface at the molecular level for optimal performance.
4. **Maintenance:** After firing, clean the firearm by dusting off powder residue with a soft nylon brush.
5. **Storage:** Store the product in a cool, dry place away from direct sunlight and heat sources.

### Disposal Instructions

- Dispose of any unused or expired product in accordance with local regulations.
- Do not dispose of the product in household waste. Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of ACTION MAGIC II® BROWNELLS ACTION MAGIC II PART A POWDER, please refer to the designated EU contact point for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using ACTION MAGIC II® BROWNELLS ACTION MAGIC II PART A POWDER. Thank you for your attention to safety.
