## Once Sealed It's Impervious To Moisture

Tough but flexible; these bags are puncture resistant, semi-transparent and have a 0% moisture transmission rating, so rust-protected items sealed inside will remain rust and corrosion free indefinitely. Resistant to all petroleum based chemicals and solvents and completely non-biodegradable, so they will never break down even in full contact with soil or moisture. Anti-static properties make them a perfect dust cover for short term storage in a vault, or even in the back corner of a closet.

# TRIPLE TOUGH™ PREMIUM STORAGE BAGS Safety Instructions

## Introduction

Thank you for choosing the TRIPLE TOUGH™ PREMIUM STORAGE BAGS. These bags are designed to provide excellent protection for your firearms and other items. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always store firearms and ammunition in a safe and secure location.
- Ensure that the storage bags are suitable for the items you intend to store.
- Inspect the bags for any signs of damage or wear before use.
- Keep the storage bags away from children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Puncture Resistance:** While the bags are puncture resistant, avoid sharp objects that could compromise the integrity of the bag.
- **Moisture Protection:** The bags have a 0% moisture transmission rating, ensuring that items remain rust and corrosionfree. However, do not expose them to excessive moisture.
- **Chemical Resistance:** The bags are resistant to petroleumbased chemicals and solvents. Avoid contact with other harmful substances that could degrade the material.
- **NonBiodegradable:** These bags are designed to last and will not break down in soil or moisture. Proper disposal is essential.
- **AntiStatic Properties:** Use the bags as dust covers for shortterm storage in vaults or closets to prevent dust accumulation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the items to be stored are clean and dry.
- Check the storage bags for any defects before use.

### 2. Storing Items:

- Place items carefully inside the storage bag.
- Avoid overfilling the bag to maintain its integrity.
- Seal the bag securely to protect the contents.

### 3. Usage:

- Store the bags in a cool, dry place away from direct sunlight.
- Do not stack heavy items on top of the bags to prevent damage.

### 4. Cleaning:

- Wipe the exterior of the bags with a damp cloth if needed. Do not use harsh chemicals.

## **Disposal Instructions**

- When the storage bags are no longer needed, dispose of them in accordance with local regulations.
- Do not incinerate the bags as this may release harmful substances.
- Consider recycling options if available in your area.
