

# J-B® BORE BRIGHT - BROWNELLS J-B BORE BRIGHT 2OZ 12 PACK

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Cleaning Paste](#)

## The Final Finish For Your Barrel, Improves Accuracy, Reduces Cleaning Effort

A micro-fine bore cleaning and finishing compound that works as both a cleaner and a final polish to help keep barrels free of fouling and shooting their absolute best. Regular use gives your barrel a mirror-like finish that helps prevent the build-up of accuracy robbing copper fouling, plus greatly reduces cleaning effort. Clean your barrel as you normally would, then after cleaning with J-B Compound, follow with J-B Bore Bright to achieve a super clean, final polish. At the range, regular use of J-B Bore Bright between strings of fire minimizes the accumulation of jacket fouling to help maintain consistent accuracy. As a bore cleaner, the soft, oil-paste formula liquefies as you use it to quickly remove fouling, copper, lead, and powder residue in rifles and handguns, plus plastic deposits in shotgun bores. Because J-B Bore Bright is absolutely non-embedding it wipes easily from the barrel with a dry patch. You never need to worry about Bore Bright harming your barrel.

# JB® Bore Bright Safety Instruction Guide

## Introduction

Welcome to the safety instruction guide for JB® Bore Bright. This product is designed for effective bore cleaning and polishing to enhance the performance of your firearms. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use JB Bore Bright in a wellventilated area to avoid inhalation of fumes.
- Keep JB Bore Bright out of reach of children and pets to prevent accidental ingestion.
- Do not use JB Bore Bright on any surfaces other than those specified in the instructions.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Ensure that the product is stored in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product and packaging in accordance with local regulations.

## Specific Safety Precautions for Use

- Before using JB Bore Bright, ensure that your firearm is unloaded and pointed in a safe direction.
- Use gloves when handling the product to protect your skin from potential irritation.
- Do not mix JB Bore Bright with other cleaning chemicals to avoid harmful reactions.
- If you experience any adverse reactions such as dizziness or nausea while using the product, stop using it immediately and seek fresh air.
- Follow the instructions provided for cleaning and polishing to avoid damage to your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe position.
- Gather necessary cleaning supplies including JB Bore Bright, cleaning patches, and a cleaning rod.

### 2. Application:

- Apply a small amount of JB Bore Bright to a cleaning patch.
- Insert the patch into the bore of the firearm using a cleaning rod.
- Move the patch back and forth through the bore to effectively clean and polish the surface.

### 3. PostCleaning:

- After cleaning, use a dry patch to remove any excess product from the bore.
- Inspect the bore for a clean, polished finish.
- Store the product securely after use.

### 4. Frequency of Use:

- For optimal performance, use JB Bore Bright regularly between shooting sessions to maintain a clean bore.

## Disposal Instructions

- Dispose of any leftover JB Bore Bright and its packaging according to local waste management

regulations.

- Do not dispose of the product in household waste or down the drain.

## Contact Information for Further Support

For any questions or concerns regarding the use of JB Bore Bright, please contact the manufacturer or refer to the product packaging for additional information.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with JB® Bore Bright. Always prioritize safety and proper handling to maintain the integrity of your firearm and personal wellbeing.
