

# AR-15 UPPER RECEIVER CLEANING KIT - BROWNELLS AR-15 UPPER RECEIVER STANDARD KIT WITH COTTON MOP

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Rifle Cleaning Kits](#)

## The Right Tools For A Difficult Cleaning Job

Make short work of cleaning heavily fouled AR-15 upper receivers, right down to the locking lug recess. Specially sized and shaped bronze receiver brush and wool mop quickly loosen stubborn carbon residue from the bolt carrier way and locking lug recess. Standard Kit for cleaning upper receiver, bolt carrier way. Deluxe Kit features a longer rod and a chamber brush that lets you thoroughly clean the bolt carrier way, plus the chamber and locking lug recess.

# AR15 Upper Receiver Cleaning Kit Safety Instructions

## Introduction

Thank you for purchasing the AR15 Upper Receiver Cleaning Kit by Brownells. This product is designed to help you effectively clean your AR15 upper receiver and maintain its performance. To ensure safe and effective use of this cleaning kit, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that all cleaning procedures are conducted in a wellventilated area.
- Keep the cleaning kit out of reach of children and unauthorized users.
- Always wear appropriate personal protective equipment, such as gloves and safety glasses, when using cleaning products.
- Regularly inspect the cleaning kit for any signs of wear or damage before use.
- Do not use the cleaning kit for any purpose other than intended cleaning of AR15 upper receivers.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The cleaning kit includes small parts that may pose a choking hazard to children.
- The cleaning brush and rod may have sharp edges; handle with care to avoid cuts or injuries.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded and the chamber is clear before cleaning.
- Do not apply excessive force when using the cleaning rod to avoid damaging the firearm.
- Use only the recommended cleaning solutions and avoid flammable substances.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the chamber is empty.
- Gather all components of the cleaning kit: bronze receiver brush, wool mop, cleaning rod, and any additional brushes included in the deluxe kit.

### 2. Cleaning Procedure:

- Attach the bronze receiver brush to the cleaning rod.
- Insert the brush into the upper receiver and gently scrub the locking lug recess and bolt carrier way.
- Remove the brush and attach the wool mop to the cleaning rod.
- Use the wool mop to clean the same areas, ensuring that all carbon residue is removed.
- If using the deluxe kit, attach the AR15 chamber brush to clean the chamber area thoroughly.

### 3. PostCleaning:

- After cleaning, inspect the firearm and ensure it is properly dried and lubricated as per the manufacturer's recommendations.

- Store the cleaning kit in a safe and dry location.

## **Disposal Instructions**

- Dispose of any cleaning materials, such as used mops or brushes, in accordance with local regulations for hazardous waste.
- Do not dispose of cleaning solutions in regular trash or down the drain unless specified by the manufacturer.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the AR15 Upper Receiver Cleaning Kit, please contact the manufacturer directly through their official channels. Always refer to the manufacturer's website for the most current information and updates regarding product safety and usage.

Please remember to regularly check for recall updates on the EU's Safety Gate platform to stay informed about any safety issues related to your cleaning kit. Always prioritize safety when handling firearms and cleaning equipment.
