# Safety Instruction Guide for SMITH & WESSON MOON CLIPS 686M/.38 SUPER MOON CLIPS 6 ROUND 5 PACK

## Introduction

Thank you for choosing the SMITH & WESSON MOON CLIPS 686M/.38 SUPER MOON CLIPS. This guide provides essential safety information to ensure the safe use and handling of your moon clips. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure you are familiar with the basic operation of your S&W revolver before using moon clips.
- Always handle your firearm and moon clips with care, following all safety protocols.
- Store moon clips in a safe and secure location, out of reach of children and unauthorized users.
- Regularly inspect moon clips for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Use with Compatible Firearms:** Ensure that the moon clips are used only with compatible S&W revolvers. Refer to your firearm's manual for compatibility.
- **Check for Proper Fit:** Before loading, verify that the moon clips fit securely in the cylinder of your revolver.
- **Avoid Overloading:** Do not attempt to load more than the specified number of rounds (6 rounds) into the moon clips.
- **Inspect Brass:** Only use brass that is compatible with the moon clips. Federal and RemingtonPeters brass are recommended; others may be difficult to load.
- **Keep Away from Children:** Store moon clips and firearms in a secure place, away from children and unauthorized individuals.

## Instructions for Installation and Usage

### 1. Loading the Moon Clips:

- Ensure the revolver is pointed in a safe direction and is unloaded.
- Insert the rounds into the moon clips, ensuring they are seated properly.
- Check that the rounds are secure and the moon clip is not damaged.

### 2. Installing Moon Clips in the Revolver:

- Open the cylinder of your revolver.
- Insert the loaded moon clip into the cylinder, ensuring it fits snugly.
- Close the cylinder and ensure it locks securely.

### 3. Unloading the Moon Clips:

- Point the revolver in a safe direction.
- Open the cylinder and remove the moon clips.
- Eject the spent brass from the moon clips by gently pressing on the back of the rounds.

### 4. Cleaning and Maintenance:

- After use, clean the moon clips to remove any residue or dirt.
- Inspect for any signs of wear or damage and replace if necessary.

## **Disposal Instructions**

- Dispose of damaged or worn moon clips responsibly. Do not throw them in regular trash.
- Follow local regulations for the disposal of firearm accessories and materials.
