

DELTRIN® RING REDUCERS - BROWNELLS DELTRIN RING REDUCER, 30MM TO 1"

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Ring Reducers](#)

Adapts Larger Rings For Smaller Scope Tubes

Non-marring, Delrin sleeves surround scopes to adapt them to fit bigger-diameter rings. Black, matte finish won't clash with your scope or gun. Reducers are sliced in half for easy, drop-on installation onto virtually any brand of rings in the sizes listed below. Sold as front-and-rear-ring kits.

DELRIN® Ring Reducers Safety Instructions

Introduction

Thank you for choosing the DELRIN® Ring Reducers by Brownells. This product is designed to enhance your shooting experience by allowing scopes to fit larger diameter rings. This guide provides important safety information, installation instructions, and disposal guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting any accessories.
- Use the DELRIN® Ring Reducers only with compatible scope rings as specified.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **NonMarring:** The Delrin sleeves are designed to prevent damage to your scope. Ensure they are properly positioned to avoid scratching.
- **Installation:** Follow installation instructions carefully to avoid improper fitting, which may lead to scope misalignment.
- **Inspection:** Regularly check the reducers for wear and tear. Replace if any signs of damage are observed.
- **Compatibility:** Confirm that the reducers fit the intended scope rings. Using incompatible sizes may compromise safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary tools for installation.

2. Installation:

- Remove the scope from the existing rings.
- Take the Delrin Ring Reducers and identify the front and rear pieces.
- Position the front reducer on the front ring and the rear reducer on the rear ring.
- The reducers are sliced in half for easy drop-on installation. Align them to fit snugly onto the rings.
- Reattach the scope onto the rings, ensuring it is securely fastened.

3. Usage:

- Once installed, check the alignment of the scope. Adjust as necessary for optimal sighting.
- Regularly check the tightness of the scope and ring reducers during use, especially after heavy shooting sessions.

Disposal Instructions

- Dispose of the DELRIN® Ring Reducers in accordance with local waste management regulations.
- Do not dispose of in fire or incinerators, as this may release harmful substances.
- If the product is no longer usable, consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or further support regarding the DELRIN® Ring Reducers, please contact your local distributor or the manufacturer directly. Ensure you have the product details on hand for assistance.

By following these guidelines, you can ensure a safe and effective experience with your DELRIN® Ring Reducers. Thank you for your attention to safety and for choosing our product.
