DELRIN® Ring Reducers Safety Instruction Guide

Introduction

Thank you for choosing the DELRIN® Ring Reducers by Brownells. These reducers are designed to enhance your shooting experience by allowing you to adapt scopes to fit larger diameter rings. This guide provides important safety information and instructions to ensure the safe and effective use of this product.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Always inspect the product for any damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the DELRIN® Ring Reducers if they show signs of wear or damage.
- Ensure that the reducers are compatible with your specific scope and rings before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Avoid using excessive force during installation to prevent damage to the product or your equipment.
- Be cautious when handling the product to avoid slipping or dropping it, which could cause injury or damage.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a soft cloth for cleaning and a screwdriver if required.
- Ensure that your workspace is clean and free from obstructions.

2. Installation

- Remove the scope from the existing rings if it is currently mounted.
- Clean the surface of the scope and the rings to ensure a secure fit.
- Take the DELRIN® Ring Reducers and align them with the larger diameter rings.
- Gently place the reducers onto the rings, ensuring they fit snugly.
- If necessary, apply light pressure to secure the reducers in place. Avoid excessive force.
- Reinstall the scope onto the rings, ensuring it is properly aligned and secure.

3. Usage

- After installation, check that the scope is stable and securely mounted.
- Perform a function check to ensure proper operation before heading to the range or field.
- Always handle the firearm and scope with care, following all safety protocols.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the DELRIN® Ring Reducers become damaged or are no longer in use, dispose of them responsibly. Check local guidelines for plastic disposal.

Contact Information for Further Support

For any questions or concerns regarding the DELRIN® Ring Reducers, please refer to the product packaging or the manufacturer's website for additional information. You can also reach out to the appropriate consumer safety authorities for guidance on product safety and recalls.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your DELRIN® Ring Reducers. Thank you for your attention to safety!
