

DELIRIN® RING REDUCERS - BROWNELLS DELRIN RING REDUCER, 30MM TO 26MM

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Ring Reducers](#)

Adapts Larger Rings For Smaller Scope Tubes

Non-marring, Delrin sleeves surround scopes to adapt them to fit bigger-diameter rings. Black, matte finish won't clash with your scope or gun. Reducers are sliced in half for easy, drop-on installation onto virtually any brand of rings in the sizes listed below. Sold as front-and-rear-ring kits.

DELRIN® RING REDUCERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the DELRIN® Ring Reducers by Brownells. These reducers are designed to adapt your scopes to fit larger diameter rings while ensuring a secure and nonmarring fit. This safety instruction guide provides essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before installation and usage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the DELRIN® Ring Reducers only for their intended purpose—adapting scopes to fit larger diameter rings.
- Avoid using the reducers in extreme temperatures or harsh environments that may compromise their integrity.
- Do not force the reducers onto rings that are not compatible, as this may cause damage to both the reducers and the scope.
- Ensure that the installation is secure before using the scope to avoid accidents during operation.
- If the reducers show signs of wear or damage, discontinue use immediately and replace them.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you have a clean workspace.
- Verify that the scope and rings are compatible with the 30mm to 26mm reducers.

2. Installation:

- Carefully remove the scope from the existing rings.
- Take the DELRIN® Ring Reducers and align them with the larger diameter rings.
- Gently place the sliced halves of the reducers onto the rings, ensuring they fit snugly.
- Once positioned, reattach your scope to the rings, ensuring that it is secure.

3. Usage:

- After installation, check that the scope is firmly held in place.
- Test the scope functionality to ensure proper alignment and focus.
- Always follow the manufacturer's instructions for the scope itself during usage.

Disposal Instructions

- Dispose of the DELRIN® Ring Reducers responsibly at a designated waste disposal facility.
- Do not incinerate or dispose of in regular household waste.

- Follow local regulations regarding the disposal of plastic products.

Contact Information for Further Support

For additional inquiries or support regarding the DELRIN® Ring Reducers, please refer to the manufacturer's website or customer service resources. Ensure you have your product details available for assistance.

Thank you for your attention to these safety guidelines. Enjoy your experience with the DELRIN® Ring Reducers, and prioritize safety in all your usage practices.
