## **Versatile, Two-In-One Design; Holds All Your Gear For Competition & Range Work - The Ultimate Range Bag**

We've taken the suggestions our customers have given us at the matches, those of competitive, pro-circuit, competition shooters, and added in the "gotta-haves" from the shooters on our own staff to come up with the best range bag we've ever seen. Designing such a bag was no easy task. And, we tossed around quite a collection of "good" prototypes before opening the red curtain on this work of art. In fact, we're so proud of it, we had our logo branded in leather and sewn right on the front of the bag. Simply put...this is the bag, when only the best will do! We hand picked only the finest quality materials for minimal weight and maximum ruggedness, then selected a skilled supplier to provide the careful construction and attention to detail you've come to know and expect from Brownells. The Signature Series Range Bag is a versatile, two-in-one bag system featuring a roomy, outer bag with large exterior, bellow pockets and an inner, open bag with adjustable dividers, padded pistol inserts, magazine pouches and much, much more. Both bags are constructed of long lasting, 1000 denier, Cordura® nylon with non-scratching, self-healing, YKK zippers and solid brass pulls. We even added stylish, top-grain, leather straps to the zipper pulls where needed to make opening and closing the "high-use" compartments easier when wearing shooting gloves. Adjustable shoulder strap is made of strong, 1½" wide nylon webbing and includes a comfortable pad lined with non-slip, suede leather. Quickly detachable, brass-plated swivel clips are springloaded for extra security and allow shoulder strap to be interchanged between inner and outer bags. Inner bag provides safe transport for match pistols when you don't want to leave them in your competition holster. Use the inner bag to carry just what you need to the firing line and for fast "bag-up" after shooting. If you have a lot of gear, use the bags separately for nearly twice the storage capacity. The double-layered, 3/8" thick, corrugated bottom panels in both bags give full support for heavy loads of ammunition, pistols, tools, sandbags and other shooting accessories while retaining the original shape of the bag. The Signature Series is a full-featured bag, designed to perform and built to last.

# Safety Instruction Guide for the Signature Series Deluxe Range Bag

## Introduction

Thank you for choosing the Signature Series Deluxe Range Bag. This guide provides essential safety information and instructions to ensure safe and effective use of your range bag. Please read this document carefully before using the product.

## General Safety Guidelines

- Always inspect the range bag before use for any signs of damage or wear.
- Ensure that all zippers and straps are functioning properly before loading the bag.
- Do not overload the bag beyond its intended capacity to prevent damage or injury.
- Keep the bag away from sharp objects that may puncture or damage the material.
- Store the bag in a cool, dry place when not in use to maintain its integrity.
- Be cautious when carrying heavy loads; use appropriate lifting techniques to avoid injury.
- Ensure that the bag is securely closed when transporting firearms or ammunition.

## Specific Safety Precautions for Use

- This bag is designed for transporting firearms and related accessories. Always follow local laws and regulations regarding firearm transport.
- Do not leave firearms unattended in the bag.
- Use the inner bag to safely transport match pistols and ensure they are secured.
- When using the bag in a shooting environment, be aware of your surroundings and follow all safety protocols.
- If using the bag while wearing shooting gloves, ensure that the zipper pulls are easily accessible.

## Instructions for Installation and Usage

### Using the Outer Bag

- The outer bag is moisture-resistant and features a large main compartment.
- Ensure the zipper is fully closed before carrying to prevent items from falling out.
- Utilize the padded end pockets for storing choke tubes and spare parts.
- Use the flat zippered pockets for targets and cleaning supplies.
- Attach a padlock to the Drings for added security when storing the bag.

### Using the Inner Bag

- The inner bag features padded pistol inserts and adjustable dividers.
- Place your firearms in the padded inserts and secure them with the hook and loop closure straps.
- Adjust the dividers to create separate compartments as needed.
- Store magazines and ammo in the designated pouches for easy access.
- Ensure the inner bag is securely zipped before transport.

### Carrying the Bag

- Use the adjustable shoulder strap for comfortable carrying.
- Ensure the strap is securely attached to the Drings before use.
- The carry handles are designed for easy grip; use them when lifting the bag.
- If using the bag for extended periods, adjust the shoulder strap for optimal comfort.

## **Disposal Instructions**

- Dispose of the range bag in accordance with local regulations for textile waste.
- If the bag is damaged beyond repair, consider recycling the materials if possible.
- Remove all personal items and accessories before disposal.
